

ITWS EPSDT PIP File Retrieval

EPSDT PIP County Data submitted prior to August 2009 is now available from DMH Information Technology Web Services (ITWS) for retrieval.

Please follow these instructions to locate the EPSDT PIP Data for your MHP from the ITWS site:

1. Log on to ITWS <https://mhitws.cahwnet.gov/>
2. From the “Systems” tab, select “Short-Doyle/Medi-Cal Claims – EOB (For DMH)”
3. From the “Functions” tab, select “Transfer Files”
4. Locate EPSDT PIP data for your MHP in the “Download” section of the screen.

The file naming convention is – [COUNTYCODE][COUNTYNAME]PIP.XLS. The password to open the file is - [2 digit county code][countyname] in lower caps. An example is 35sanbenito. All counties who submitted their PIP data prior to August 2009 should have one Excel file containing the cleaned-up set of EPSDT PIP clients.
