

Super TACT Agenda

TBS Accountability, Communications, and Training

April 28, 2010
10:00 AM to 12:00 PM
744 P Street, Room 1222
(12th Floor)

Purpose: In October 2008, two task groups were formed to create and monitor the development of an accountability structure and training and outreach strategy to implement the Court-approved Nine-Point Plan. In June 2009, the DMH merged the ASIS and TACT task groups into this TBS Accountability, Communications, and Training task group, known as Super TACT. Super TACT supports the DMH and Emily Q Settlement Team to monitor implementation of the TBS Nine Point Plan and advise on strategies for success. The SuperTACT meets monthly.
