SALARY RANGES: $6,224.00 - $8,231.00 per month

POSITION DESCRIPTION: Positions at this level of expertise required is definitively greater than that for any other supervisory position at this level. Incumbents serve as highly skilled technical program consultants, or as recognized authorities in areas of extreme sensitivity or complexity, or in areas of high specialization. Typically, incumbents have statewide responsibility for the nursing and related components of a major statewide program with coordinating or lead responsibility for nursing and other professional/technical staff. Under general direction, incumbents provide the most complex, difficult, and sensitive consultation; develop, plan, organize, coordinate, implement, and evaluate the nursing and related components of a major statewide program; evaluate and ensure statewide program consistency; provide professional guidance to nursing and other health professional staff; and do other related work.

Positions exist with the Department of Health Care Services in: Sacramento, Los Angeles, San Diego, and Yolo

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION: It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement on the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

NOTE: Applications/resumes MUST include “to” and “from” dates (month/day/year), time base, civil service class title(s), and range (if applicable) for all work experience. College course information MUST include title, number of semester or quarter units, name of institution, completion dates, and degree (if applicable). Applications/resumes received without this information will be rejected.
MINIMUM QUALIFICATIONS:

1. Possession of an active valid license as a registered nurse in California. (Applicants who do not meet this requirement will be admitted to the examination, but they must secure the required license before they will be considered eligible for appointment.)

AND

2. Baccalaureate or higher degree in nursing from a school of nursing accredited by the National League for Nursing (NLN) or its equivalent for foreign graduates. (For applicants who received a baccalaureate degree in a Health-related field prior to 1990, the California State Public Health Nurse Certificate may be substituted for the baccalaureate in nursing (BSN), thereafter the baccalaureate or higher degree must be in nursing from a school of nursing accredited by the NLN or its equivalent for foreign graduates).

AND

3. Possession of a master’s degree in a health-related field such as nursing, public health, health care services, health care administration, or hospital administration. All degrees must be from an institution approved by the Counsel for Private Postsecondary and Vocational Education under the provisions of California Education Code Chapter 3, Part 59, and Division 10.

Either I
Two years of experience performing duties of a Nurse Consultant II in the California state services;

Or II
Broad and extensive (at least five years) professional registered nursing experience, at least four years of which shall have been in an administrative, consultative, teaching, or supervisory capacity. (One year of health-related post master’s graduate work may be substituted for one year of general nursing experience.)

DESIRABLE QUALIFICATIONS: Professional nursing experience in a local health department or other community health agency.

GENERAL QUALIFICATIONS: In addition to the scope defined on this announcement, candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

EXAMINATION INFORMATION: The examination will consist of an evaluation of Training and Experience (T&E) weighted 100%. No written test is required, and no interview will be conducted. Candidates who meet the requirements for admittance to the examination (minimum qualifications) will be emailed a training and experience questionnaire. The examination will be sent to the email address listed on the application. Please ensure the email address on your application is correct. The questionnaire is designed to elicit specific information regarding each candidate's education and experience relative to the testing classification. Responses to the questionnaire will be assessed based on predetermined rating criteria. In appraising the relative qualifications of candidates, consideration will be given to the extent and type of pertinent experience and education over and above that which is required under "Minimum Qualifications."

The Department of Health Care Services reserves the right to revise the examination plan to better meet the needs of the service if circumstances under which this examination was planned change. Such a revision will be in accordance with civil service law and rules, and all competitors will be notified.

SCOPE: Ratings will be determined based on the depth and breadth of professional education and experience beyond what is minimally required. Emphasis will be placed on measuring, relative to job demands, each competitor's:
