Possession of a valid certification of registration in pharmacy issued by the California State Board of Pharmacy.
AND

Either I
Two years of experience performing the duties of a Pharmaceutical Consultant I, Department of Health Care Services;

Or II
Three years of experience within the last five years in the practice of community or hospital pharmacy (exclusive of internship) including one year of administrative, supervisory, or consultant experience either as owner or manager of a pharmacy, in a public health or welfare agency, or as a Chief Pharmacist in a medical clinic or hospital. (Experience as a registered pharmacist in teaching, research, or drug manufacturing may be substituted for up to one year of the required general experience.)

DESIRABLE CHARACTERISTICS: Willingness to travel throughout the state.

GENERAL QUALIFICATIONS: In addition to the scope defined on this announcement, candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

EXAMINATION INFORMATION: This examination utilizes an evaluation of Education and Experience (E&E) weighted 100%, and is based solely upon information provided with the application. Information provided with the application will be assessed compared to a standard developed in relation to the elements of the job and linked to the knowledge and abilities required on the job.

Special care should be taken to submitting a complete description of your education and experience relevant to the typical tasks, scope, and minimum qualifications stated on this announcement. Supplemental information will be accepted but competitors should read the announcement carefully to determine what kind of information will be useful to those individuals completing the evaluation.

The Department of Health Care Services reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules, and all competitors will be notified.

SCOPE: Ratings will be determined based on the depth and breadth of professional education and experience beyond what is minimally required. Emphasis will be placed on measuring, relative to job demands, each competitor's:

Knowledge of:
1. Drugs and durable medical equipment (infusion/enteral pumps) required in the operation of pharmacy and health care facilities to determine medical necessities.
2. Pharmaceutical chemistry, pharmacology, and toxicology to understand literature and/or make recommendations.
3. Drug utilization review and pharmaco-economics to determine medical necessities and maximize effectiveness of pharmacy program costs.
4. Policies, standards, and regulations applicable to the pharmaceutical programs and services, State Board of Pharmacy, California, and federal code of regulations to ensure compliance.
5. Medi-Cal Programs to develop policies and perform utilization management functions.
6. Principles of interrelationships of federal, state, and local professional and voluntary health and welfare agencies, and the programs and services of such agencies to ensure compliance.
7. Pharmaceutical drugs and drug utilization, pharmacy practice, and pharmaceutical services, which are required in health care facilities, including administrative, distributive, and clinical functions to ensure compliance.
8. Basic computer usage (e.g., MS Office Suites, Internet, and Intranet).

Skill to:
1. Formulate policies and standards for the pharmaceutical aspects of medical care programs to ensure state/federal regulations and requirements are being met.
2. Interpret and apply policies and standards for the pharmaceutical aspects of medical care programs.
3. Evaluate the quality and scope of pharmaceutical services provided under the program, in order to perform utilization management functions and provide services to beneficiaries.
4. Recognize, assess, and develop solutions to problems involved in the pharmaceutical aspects of medical care programs to resolve issues.
5. Analyze policy and budgetary situations accurately to take, or recommend, courses of action.
6. Develop relationships with multiple district offices, numerous evaluators, providers, consumers, outside governmental agencies, and provider organizations to maintain effective working relationships.

Ability to:
1. Communicate well orally to interact with effectiveness with the public, providers, departmental staff, and other governmental agencies.
2. Communicate effectively in writing to provide feedback to pharmacies, clinics, hospitals, etc.
3. Complete assignments in a timely and efficient manner to meet deadlines of federal and state mandates.
4. Analyze situations accurately, and take effective action without immediate supervision to ensure quality service to beneficiaries within the requirements of the Medi-Cal program.
5. Work independently to complete one’s own tasks.

**Personal Characteristics:**
1. Honesty – refrain from making statements or taking actions that are knowingly false, deceptive, or fraudulent.
2. Integrity, dependability, and good judgment.
4. Stress tolerant – calm under pressure; retain composure and ability to function in the face of anxiety-provoking circumstances.
5. Willingness to respect the opinions of others and work within a team setting.

**ELIGIBLE LIST INFORMATION:** Possession of the entrance requirements does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. A departmental open list will be established for use by the department(s) listed on this announcement. Names of successful competitors are merged into the list in order of the final scores regardless of date. Eligibility expires 24 months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, and 6) open. When there are two lists of the same kind, the older must be used first.

**VETERANS PREFERENCE:** Effective January 1, 2014, veterans’ preference will be awarded as follows:
1. Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for veterans’ preference.
2. An entrance examination is defined, under the law, as any open, competitive examination.
3. Veterans’ preference is not granted once a person achieves permanent civil service status.

Directions for applying for veterans’ preference credits are provided on the Veterans Preference Application form (Std. Form 1093), which is available from the California Department of Human Resources or the department shown on this announcement.
