

ALCOHOL AND OTHER DRUG POLICY INSTITUTE

ADPI is California's statewide resource for prospective Drug Medi-Cal (DMC) certification applicants and existing DMC certified programs. Training, brief consultation, and in-depth technical assistance is available for new or already certified programs, including recertification applicants. These services include but are not limited to:

- Step by step guidance in completing application and disclosure statement prior to submission to the Department of Health Care Services;
- Review of returned incomplete applications (deficiencies found);
- Provide "walk through" for initial certification applicants;
- Training on Title 22 requirements for clinical documentation;
- Policy and Procedures Manuals;
- Counselor Certification requirements;
- DMC 'Help Desk' for brief inquiries.
