

CCS County Match Budgets Questions and Answers
12/16/08

1. When are the FY 2008-09 County Match Budget Estimates Budget Estimates due to the CMS Branch?

Please submit these budget estimates to the CMS Branch by 12/26/08.

2. Please clarify the format for submission of these budget estimates.

Please use the format of the CHDP County/City Match Administrative Budget Summary (Page 59, Chapter 6, CMS Branch PFG Manual) for estimates of your County Match CCS Budget.

3. If a county has used 100% county funds to provide interim funding for CCS county administration activities until the "new" FY 2008-08 county administration funding methodology is implemented, can the county use that interim funding as the county match in the county's county match budget for the draw down of federal financial participation?

Yes, for county funding associated with providing services to the Medi-Cal component of the county's CCS caseload in conformance with the criteria specified in the proposed methodology.
