

CMS Net Case Distribution Webinar
Questions and Answers
March 25, 2010

No	Question	Answer
1	Is there a way to do a case list for therapists (i.e. reports due list)?	The Caseload Details report may be generated for any caseload type, including MTU.
2	How do you make non county administrator into a county administrator to manage caseloads?	By marking a member of the main Organization Unit (OU) with an administrator flag they can update the main OU or any OU below them in the structure.
3	Is there any other automatic caseload distributions after initial registration?	No, not now.
4	When transferring a full caseload is there any automated caseload distribution?	No, not now. When cases are transferred you must designate the originating and destination OU.
5	Is there a link to the MTP module when a case is made active to change the caseload code?	No
