

MTP Conference Scheduling Webinar
 Questions and Answers
 March 24, 2010

No	Question	Answer
1	Is there any way to change the Primary Dx to reflect the MTP eligible condition?	Yes, through the MTP registration process.
2	Do we have the option to do a "tickle list"?	Yes, all existing ticklers and reports will be available in MTP CMS Net web.
3	Will conference numbers be unique to each county?	Each conference will have a unique number, there is not a unique # association to county.
4	Can we attach the conference schedule to an email?	No, not now.
5	Will you have a practice environment we can train?	We are implementing the MTP module including the conference scheduling on Monday, March 27th. We are using our training environment for LA training.
6	Without deleting a whole conference list, can you modify the date and retain the same schedule?	Not at this time. We have an enhancement to be added later to modify an existing conferences.
7	Can we request additional fields be added to the conference schedule such as parents name and phone number or therapists name, language etc?	This information can be added to the new reports after we go live.
8	Where do the MTC comments per child show on the printed list?	The comments don't show on the report from the screen but we can add them the client specific report which will be found under the MTP reports on a later date.
9	Where can I find the webinar on the CCS homepage?	The CMS Branch website. http://www.dhcs.ca.gov/services/ccs/Pages/default.aspx
10	I noted that the time increments to schedule are in 15 minute increments. We schedule our patients in 20 minutes intervals, is it possible to change that?	At this point we are not going to change this function but we will consider it as an enhancement later.
11	When you transfer all the data from the existing the legacy to web this week end, will all the data transfer? Are there key data points that must be in the legacy system in order for the data to transfer?	We have a report of all of the existing scheduled conferences. We are converting as much data a possible but the conference scheduling is not included. We will send counties a copy of the reports. We will mark this as an enhancement which will be included later.
