## **March 2006 Change Cycle**

The following is a list of changes which will be added to the CMS Net System for the March Change Cycle:

Filter restricted Medical Supplies: Removing restricted NDCs from the Medical Supply and Formulary table.

Medical Home Display: Allow users to select vendors from the Vendor table.

Back Button: Add a new "Back" button to the Search Results screen and Search Service Code screen.

View All SARs: Add a new "View All SARs" button to the View SAR screen.

Restrict Service Begin Date: Restricting users from entering the Service Begin Date prior to the client date of birth.

New web Non PMF Panel Provider report: A new report will be added the website and will post the week following March's change cycle. This report will list the following: provider name, provider type, specialty, effective date, and expiration date.

Federal Poverty Level and Enrollment Fee Table: Both tables will be updated to reflect fees based on effective date April 1, 2005.

New Special Instructions: Fax/send completed HLD Index scored forms with less than 26 points and no automatic qualifying condition to this CCS office.

New Special Instructions: SAR is for diagnostic services only, as necessary to establish presence of a CCS medical condition.

New Special Instructions: SAR includes coverage for prescribed medication to treat or ameliorate a CCS medically eligible condition.

Apostrophe in Last Name: All SAR will display the denial citations when there is an apostrophe in the client's last name.

Cancellation NOA: Correcting the error which occurred when the user attempted to generate a NOA after canceling a SAR.
