Podiatry Service Code Group (SCG) 12

SCG 12, Podiatry SCG, is a new SCG that has been developed in order to authorize CCS approved Podiatrists for their services. There is no other way to authorize these providers in the web-based SAR system. The system does not permit individual codes to be authorized to this provider type.

SCG 12 does not include any other SCG (e.g., 01). All the array of codes a Podiatrist might need should be contained in this SCG 12. The codes all have begin dates of 7/1/04.

The April Medi-Cal Bulletin has announced this new SCG; the codes are in the [Medi-Cal Manual \(cal child ser\)](#) and accessible via the [CMS Branch SCG Code Lists](#).

SCG 12 will be available in CMS Net on April 23, 2007.
