Authorization of E1220 Wheelchair, Specially Sized or Constructed

Effective for dates of service on or after 11/1/2004, only ATG Rehab Specialists may be reimbursed for procedure code E1220. No other providers are allowed reimbursement for this procedure code. E1220 must be authorized on a negotiated price SAR.

Negotiated price SARs must include only one procedure code (E1220) and no other codes. **+Override security is necessary to issue a negotiated price SAR. If you do not have this capability, please have your supervisor contact the CMS Net help desk.**

To issue the negotiated price SAR, you must enter the service code, appropriate modifier, units and dollar amount. The provider must provide all of this information in order to issue the SAR.

Sample SAR entry:
