**Department of Health Care Services  
Children's Medical Services Network  
(CMS Net) - Information Bulletin #309**

## **July 2009 Change Cycle - Revised**

The CMS Net applications will be down from 3:00 p.m., Friday, July 17th, until 5:00 p.m., Saturday, July 18th to implement changes included in the July 2009 Change Cycle.

### **CMS Net Web**

<Enter> key will function on the CMS Net web system for most buttons (eg: Find, Search, Submit, etc.) along with the use of mouse. When searching for a value in a text or numeric field the users would have to click the 'Find' or Search button. Now the user can hit the <Enter> key on the keyboard and the same results will be displayed as with the mouse click.

### **SAR:**

- The CCS-SS radio button removed from Enter SAR screen
- Correct the system error which occurs when distribution selections are removed if special instructions are added
- Procedure code search modified to remove duplicate entries. Procedure type condensed to single hyperlink.
- Correction to disallow modification of a denied SAR
- Users are able to Pend, Deny, Authorize, or Cancel a SAR during the time the client was in their county of eligibility (for issuing historical SARs)

**Case Notes:** Updated to include the citation and long closure/denial description from NOA letters and display it into the narrative template

**Reports:** Print Authorizations is removed and now a part of SAR Daily Activity Report. SAR Daily Activity Report will now allow user to print SARs for Authorized, Cancelled, and Extended statuses. Directions for modified SAR Daily Activity Report are below:

### **Print Authorization Instruction:**

Go to *SAR Daily Activity Report*  
Select *County*  
Select *Status (Optional)*  
Enter *Service Begin Date*  
Enter *Service End Date*  
Click *Print Authorization*

### **By Provider Report Instruction:**

Go to *SAR Daily Activity Report*  
Enter *Service Begin Date*  
Enter *Service End Date (optional)*  
Select *Provider Type*  
Enter *Provider Name or Provider ID*  
Click *Find button to search for provider*  
Select *Provider*  
Click *Run Report*

### **CMS Net Legacy**

Electronic Post-It Note: The system error which displays the electronic post-it notes more than once is resolved

### Client Eligibility:

- Correct the system error where the case status can be updated to closed for a new client eligibility entry (Pending cases may only be updated to Denied or Active upon initial entry to the Client Eligibility Screen)
- Allow code MISC4 as denial reason

Pending Eligibility: The system error where the "F1" must be selected each time the Pending Eligibility screen for the Elig Type is resolved

Display Eligibility Log: Correct the system error when selecting the Pending Eligibility History screen

Menus: View/Print Narrative removed from the following branch menus:  
CMSOM-32 - APPLICATION STATUS BRANCH MENU, CMSOM-41 - EXPIRED PGRM ELIG PERIOD BRANCH MENU, and CMSOM-62 - MEDICAL REPORT REQUEST BRANCH MENU

### **PEDI**

- Modify the Medi-Cal Managed Care and Healthy Families Client Listings to an alternate formats [Excel (.xls), Hypertext Mark-Up Language (.html),

Portable Document Formant (.pdf) and Comma Separated Value (.csv)] that will allow the PEDI user to export the data

- Modify PEDI to be real-time
- Modify the Managed Care Plan/HF Plan provider domain process so that one or more managed care plans or HF plans can be associated to the same domain. Thus plans that serve multiple counties will only have one set of user ids and passwords to maintain
- Correction to the Frequently Asked Questions and Contact Us pages
- Patient case status displays on the patient search results page
- Modify the Medi-Cal Managed Care and Healthy Families Client Listings to not display the citation code in the Reason Inelig/Closed column
- New report available for Healthy Families or Managed Care Plans that only serve CCS clients with a dental condition
- Discontinue displaying patient records for Medi-Cal Managed Care and Healthy Families plans that are terminated more than 12 months
- Patient diagnosis and CCS number display on the Daily Activity Report
- Add the SAR template with a cancelled watermark and reason code/description for Cancelled SARs
