### New Fax and Email for State Audiology Consultant Review

There is a new fax number and e-mail for audiology requests requiring State Audiology Consultant review. Please fax reports with a face sheet indicating the type of request and CCS number to 916-440-5297, and e-mail questions and notification of faxes to [AudConsult@dhcs.ca.gov](mailto:AudConsult@dhcs.ca.gov). Jennifer Sherwood or Lisa Satterfield will respond to your faxes and questions through this address.

It is not necessary to include the EPSDT worksheet for audiology consultation request. The State Audiology Consultants review cochlear implant evaluations and surgery requests, and consult with nurse case managers and medical consultants on SARs for BAHA, FM System, and EPSDT-SS hearing aids when requested by the County.

Faxes received at previous fax numbers will be destroyed beginning December 1<sup>st</sup>. Please make changes to your contact information promptly.
