## **Update of Federal Poverty Level Chart for 2015**

The Federal Poverty Level Chart in CMS Net has been updated effective April 1, 2015. This chart is used to determine whether the family is required to pay an enrollment and/or assessment fee. The income amounts used in revising this chart were published in the Federal Register (<https://www.federalregister.gov>) on January 22, 2015, titled "Annual Update of the HHS Poverty Guidelines".
