## Department of Health Services Children's Medical Services Network (CMS Net) - Information Bulletin # 62

The July Change Cycle was implemented on Saturday, 7/24/04. Following is a list of changes that were implemented:

### CMS Net Web:

1. **SCC Detail Tab:** SCC detail screen has been corrected to allow users to select and save the SCC Satellite Name.
2. **Medical Procedure Code:** The Medical Procedure Code screen has been modified to display the appropriate procedure code according to "Type".
3. **Print Authorizations Report:** The Print Authorizations Report has been modified to exclude "Canceled" SARs, to display all service codes and to display the SCC address in the Provider address field.
4. **Family Diagnostic (C-50) and Treatment / Vendored Therapy (C-51) Letters:** Added the following text to the letters: "As part of your child's medical care, your doctor may give you a prescription for medicine. When you take this prescription to your pharmacy to get the medicine, show a copy of this letter to the pharmacist."
5. **SAR Error Message:** Correction to error "the client and the user county do not match" received when attempting to Authorize a SAR for a case that had previously been Denied.
6. **Authorize SAR for Pending Case:** System has been modified so that a SAR cannot be Authorized for a Pending case.

### CMS Net Legacy:

1. **PTR Batch:** Add PT and OT identifier to the PTR batches.
2. **MTU Medical Home Field:** Modify the MTU Medical Home field to default to the provider listed on the Patient Registration Face Sheet.
3. **Patient Therapy Record:** Add the ability to print all PTRs by batch prior to transmission.
4. **Enrollment & Assessment Fee Screen:** Reactivate the code to auto-calculate and display the enrollment and assessment fees based on information entered on the Financial Worksheet screen.
5. **Transfer Pending (TP) Tickler:** Correction to the Program Error received when generating the Transfer Pending tickler.
6. **Medi-cal Coverage Screen:** Correction to the screen so that Mother's Medi-cal number can be entered when the Mother is both a patient of CCS and the mother of a patient on CCS.
7. **Narrative for Medi-cal Coverage:** Add fields for Date of Service and Termination Date to the auto-narrative for the Medi-cal Coverage narrative.
