CHDP Program Letter No.: 18-01

TO: ALL CHILD HEALTH AND DISABILITY PREVENTION (CHDP)
PROGRAM DIRECTORS, DEPUTY DIRECTORS, AND STATE
INTEGRATED SYSTEMS OF CARE DIVISION (ISCD) STAFF

SUBJECT: FISCAL YEAR (FY) 2017-18 AUGMENTED ALLOCATION FOR THE
HEALTHCARE PROGRAM FOR CHILDREN IN FOSTER CARE
(HCPCFC)

The purpose of this CHDP Program Letter is to provide CHDP local programs with the augmented State General Fund allocation for the HCPCFC as it applies to FY 2017-2018. This is the state's share of the Medi-Cal Title XIX funds. These funds are to be matched with Federal Title XIX funds to supplement the HCPCFC Administrative Budget and are based on the Federal Financial Participation (FFP) guidelines found in the Children's Medical Services (CMS) Plan and Fiscal Guidelines (PFG).

The allocation amount for each county is based on a methodology developed by the California Department of Social Services in coordination with the County Welfare Directors Association of California. These funds are to be used for the hiring of additional HCPCFC Public Health Nurses (PHNs) and must be tracked and accounted for separately in relation to other HCPCFC funding.

Each local CHDP program is to carry out the HCPCFC program as set forth in the CMS PFG. The primary responsibility of the HCPCFC PHNs remains that of administrative case consultation. By providing these services the PHN administratively coordinates the health care needs of children in foster care, including their developmental, dental and mental health needs. The PHN supports adherence to American Academy of Pediatric Recommendations for Preventive Pediatric Health Care, ensures that identified health needs are monitored, and supports continuity of health care services. The PHN, social worker, and/or clerical support update the Child Welfare Services/Case Management System Health and Education Passport. The PHN/social worker/probation officer share medical information where appropriate. The PHN consults with physicians and other medical and non-medical professionals regarding the health and well-being of children in foster care and in coordinating appropriate medical treatment and follow up.

The Federal Fund Augment allocation column is a maximum that assumes State general funds used would be applied exclusively for PHN activities eligible to be matched at the enhanced rate of 75 percent (ISCD recognizes quarterly claims typically reflect activities that are claimed at the standard and enhanced FFP rates). The maximum Federal Fund Augment allocation amount specified in this table is unrelated to the HCPCFC county match calculation.

Incumbent List - Health Care Program for Children in Foster Care

For FY 2017-18, complete the table below for all personnel listed in the HCPCFC, HCPCFC Psychotropic Medications Monitoring & Oversight (PMM&O), Augmented HCPCFC and CHDP Foster Care Administrative (County/City) budgets (applicable to HCPCFC only). Use the same job titles for the budgets and the incumbent list. Total percent for an individual incumbent should not be over 100 percent.

Specify whether job duty statements or civil service classification statements have been revised or changed in the last fiscal year. Submit job duty statements and civil service classification statements that are new to the Augmented HCPCFC. This includes (1) changes in job duties or activities, (2) changes in percentage of time spent for each activity, and (3) changes in percentage of time spent for enhanced and non-enhanced job duties or activities. **Job duty statements and civil service classification statements are required for all incumbent's listed who will be funded with Augmented HCPCFC funds.**
