CHDP Information Notice No.: 03-F

TO: All COUNTY CHILD HEALTH AND DISABILITY PREVENTION (CHDP)
PROGRAM DIRECTORS, DEPUTY DIRECTORS, MEDICAL
CONSULTANTS, STATE CHILDREN'S MEDICAL SERVICES (CMS)
BRANCH STAFF, AND REGIONAL OFFICE STAFF

SUBJECT: CHDP PROGRAM DATA REPORTING SYSTEM

The CHDP Program is implementing a CHDP Program Data Reporting System that will enable you to view up-to-date CHDP reports via the Internet using Business Objects software. These reports are produced using data generated by the DHS fiscal intermediary, Electronic Data Systems (EDS) from the Confidential Screening/Billing Report forms (PM 160s), and the CHDP Provider Master File.

As a condition of obtaining access to these reports, you will need to complete a confidentiality agreement and a Data Account Activation/Deactivation Request to be returned with the appropriate signatures to CMS. Within the next month, local programs will receive specific instructions on how to request user identification (ID) numbers and passwords along with specific instructions on how to access the reports.

We are pleased to provide you with access to local program specific data to assist you in providing ongoing support to the CHDP Program in your area.

If you have any questions, please contact your Regional Nurse Consultant.
