=====

3) In-Home Operations Waiver Renewal Background

- Purpose of renewal: To maintain the continuity of care of the current waiver participants
- IHO Waiver Renewal - January 1, 2015 – December 31, 2019

=====

4) IHO Waiver Changes

A. No changes in Services or Benefits to current IHO waiver participants

B. Changes to the IHO Waiver (1-5 have already been made in the Nursing Facility/Acute Hospital (NF/AH) Waiver and approved by CMS):

1. Revised Family Training to include training for an unlicensed caregiver (NF/AH Waiver Change)
2. Revised Habilitation includes peer monitoring to reflect changes recommended by the Disability Rights of California. (NF/AH Waiver Change)
3. Removed IHSS Public Authorities as waiver providers

4. Added language specifying a participant satisfaction survey shall be provided to IHO waiver participants at least once every waiver renewal.
5. Developed new performance measures per CMS directive for quality assurance compliance.
6. Removed Home and Community-Based Continuous Care Facility (HCBCCF) formerly known as a Congregate Living Health Facility (CLHF), which is still a NF/AH wavier benefited service. A HCBCCF/CHLF is considered a participant residence. There are currently no IHO Waiver participants residing in a CHLF.
