Note: Percentage figures are percents of total received.

Table B-6: Medi-Cal Home Health Access						
Treatment Authorization Requests for Home Health Calendar Years 1999 - 2005						
Calendar Year	TARs Received	TARs Approved	%	TARs Processed	%	Avg. Proc**
2005	39,476	24,198	61.30%	39,093	99.03%	2.04
<p>**Average Processing Time Note: Percentage figures are percents of total received.</p> <p>Requested by Denise Stanton (DHCS-MCPD-RDB) Data obtained from Business Objects xi on 12/14/07 by Patty Self. Most data is available as "services," or lines/requests on TARs. Data indicates approximately 1.558 services per TAR. *Data obtained by dividing number of "services" by 1.558 to obtain number of TARs.</p>
