## Important Medi-Cal Changes Notice of Elimination of ADHC Medi-Cal Benefit

Dear ADHC Participant,

There is a change in state law. **Medi-Cal** will no longer pay for Adult Day Health Care (ADHC) beginning December 1, 2011. The law that changed is California Welfare & Institutions Code section 14589.5.

### **This *does not* change your:**

- Medicare coverage
- Doctors and specialists you see outside an ADHC center
- Social Security benefits

Here is what you should know:

### **What benefits and services will Medi-Cal no longer pay for?**

Medi-Cal will not pay for you to get services at an ADHC center after December 1, 2011.

### **What if I still need the care I get at my ADHC after the benefit ends?**

Your health plan will contact you soon to find out what care you need. They may be able to help you get some of the same services that you receive today.

### **How do I find these services?**

Your health plan can tell you about other services.

- **If you get In-Home Support Services (IHSS)**, contact your social worker to find out if you can get more IHSS hours.
- **If you are in the Multipurpose Senior Service Program (MSSP)**, contact your caseworker for help.
- **If you are a client of a Regional Center**, contact your caseworker for assistance.

### **What if my center closes before I find the care I need?**

Your health plan can help you now. Call your health plan to help you find the care and services you need.
