Covered CA	In Progress	Advocates want an analysis of anyone who is not newly eligible. Covered CA will follow up on their request. Covered CA states that this information can not be split by race/ethnicity etc. Previous question: Are the 80,000 inconsistencies related to immigration or citizenship status for newly eligibles? 3	10/2/2015	Individuals in a status (such as student visas) – who are not eligible for full-scope Medi-Cal due to their immigration status, but are lawfully present for Covered CA purposes should get APTC even though their income is below 138% of the FPL. Is there a task guide to address this until it is fixed?	Covered CA	In Progress	Covered CA to elevate this issue to see what work arounds are available. Advocates to provide cases to Covered CA to look at. Additional information sent by Cori. Reviewing CR 32277 to see if this CR will help this issue. If not Covered CA will open a new CR to address the issue. Advocates would like to know what work around can be used. What would the outcome of a hearing be?
