Service Descriptions

Self Pay Discounts Program/ Charity Care Program

Natividad Medical Center offers various self pay discount and charity programs. Under these programs, patients pay a reduced portion of NMC bills.

Breast and Cervical Cancer Treatment Program (BCCTP)

This program is offered to individuals who have been diagnosed with breast and/or cervical cancer. The program includes treatment and follow up care services.

Hospital Presumptive Eligibility (HPE)

A hospital issued Medi Cal program that focuses on providing immediate access to needed health care services while putting people on a path to ongoing coverage. HPE will provide temporary, no cost Medi Cal benefits for up to 2 months, and is only available once during any one year time frame.

Presumptive Eligibility (PE) for Pregnant Women

A Medi Cal program that provides immediate coverage for low income pregnant women for 2 months while they apply for Medi Cal, including Restricted Medi Cal.

Restricted Medi Cal Programs

Restricted Medi Cal Programs are for individuals who are ineligible for Medi Cal but who require medical attention due to a medical emergency.
