SUBJECT: 2012 STATEWIDE AVERAGE PRIVATE PAY RATE FOR NURSING
FACILITY SERVICES

The purpose of this letter is to officially announce that the 2012 statewide Average Private Pay Rate (APPR) for nursing facility services is \$7092. This is used in calculating the period of ineligibility for transfers of nonexempt property for less than fair market value. Counties must use this figure whenever the date of application or the date of institutionalization (the more recent of the two) occurs in 2012 and a disqualifying transfer has occurred. Existing periods of ineligibility are not updated annually so counties must not use this figure to recalculate periods of ineligibility where the dates of application and institutionalization occurred prior to January 1, 2012.

Counties must use the following APPRs whenever the more recent of the two dates (the date of application or the date of institutionalization) occurs in one of the corresponding years listed below and a disqualifying transfer has occurred. A complete listing of APPRs has been included below in case a disqualifying transfer is made by a previously institutionalized beneficiary.

This All County Welfare Director's Letter (ACWDL) supersedes ACWDL 11-13.
