#### 19D -- HOME AND COMMUNITY-BASED SERVICES (HCBS) WAIVERS

#### I. BACKGROUND

The Social Security Act [Section 1915(c)], Section 14132(s) of the Welfare and Institutions Code, and Section 51346 of Title 22, California Code of Regulations permits states to request waivers of otherwise applicable federal law in order to provide certain services to persons at home or in the community as a cost neutral alternative to institutionalized health care provided such non-institutional services meet the health and safety needs of the beneficiary. The goal is that the beneficiary will experience an enhanced and enriched quality of life if allowed to return home or to the community. The Department of Health Services (DHS) currently has six such waivers in effect.

Congress also authorized Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) for eligible individuals under 21 years of age. EPSDT is a Medi-Cal benefit which requires that states provide medically necessary screening, vision, hearing, and dental services to Medi-Cal beneficiaries. One of the services which may be provided is licensed skilled nursing in the home. Therefore, Medi-Cal eligible children who are institutionalized will now be able to return home from institutionalization or those who are home can remain at home because they can receive additional medical services under the EPSDT program if certain criteria, including cost effectiveness, are met. It is no longer necessary that all children be in a waiver to receive expanded benefits if the child has a zero share of cost (SOC) under regular Medi-Cal income/property rules. The following procedures apply if a waiver is required.

Assembly Bill (AB) 2279, Chapter 329, Statues of 1998, provides for the expansion of the Personal Care Services Program (PCSP) to the aged, blind or disabled medically needy. Prior to this, PCSP services were offered to categorical and mandatory Medi-Cal coverage groups (e.g., Supplemental Security Income (SSI) recipients, Pickle beneficiaries, CalWORKs and Section 1931(b) recipients and pregnant women or children in the federal poverty level programs who meet the criteria for this program. PCSP is a component of the In-Home Supportive Services (IHSS) program. PCSP provides the following services:

- Assistance to ambulate
- Bathing, oral hygiene, dressing, and grooming
- Care and assistance with prosthetic devices
- Bowel, bladder and menstrual care
- Repositioning, range of motion exercises and transfers
- Feeding and assurance of adequate fluid intake
- Respiration
- Paramedical services
- Assistance with self-administration of medications
- Ancillary services e.g., meal preparation, laundry, shopping and domestic services (these are only offered if other basic PCS are provided).

Unlike IHSS, PCSP does not allow a parent of a minor child or spouse to be the care provider. Persons who are receiving benefits under either of the two waivers [Model Nursing and Department of Developmental Service(DDS)] that disregard parental and spousal income and property and who are not eligible for IHSS services <u>solely</u> because that program does not disregard parental and spousal income, are eligible for the PCSP (Section 14132.95(f) of the Welfare and Institutions Code).

#### II. OVERVIEW

The applicant must be Medi-Cal eligible in the non-institutional setting before being served by a waiver. The following procedures describe the process counties are to follow in determining Medi-Cal eligibility. Depending on the circumstances, this determination may be initiated while the applicant is still institutionalized or in a living arrangement different from the setting covered by the waiver. Agencies responsible for waiver service authorization will refer waiver applicants to the county welfare department (CWD) for these eligibility determinations. In some situations these agencies will not determine whether it is medically appropriate for the applicant to be in a waiver or to receive services until the county completes the Medi-Cal eligibility determination.

#### A. Medi-Cal Eligibility Waiver Determination -- Overview

There are several factors counties must consider such as the following:

- 1. Whether eligibility is to be based on regular Medi-Cal rules or special Medi-Cal rules depending on the type of waiver that the applicant will be in.
  - 2. Whether the determination is based on anticipated circumstances or on actual circumstances (i.e., the current living arrangement is appropriate for the waiver and the referring agency already has determined it medically appropriate for the applicant to be in the waiver).
  - 3. Whether the Individual is a New Applicant or a Beneficiary with a Change in Circumstances.
    - New Applicant:

If the waiver applicant is not currently receiving Medi-Cal, he/she must complete an Application for Public Assistance and a Statement of Facts.

The individual who is not currently receiving Medi-Cal will need an initial Medi-Cal eligibility determination based on his/her anticipated living situation. If the applicant has a parent or spouse in the home, the major concern is usually whether he/she will be eligible or have a high SOC due to parental or spousal income or excess property. Therefore, individuals who are interested in leaving an institution and are applying for Medi-Cal and additional in-home services under a waiver need to know about their eligibility should they return home, e.g., whether they will be Medi-Cal eligible or have a SOC.

Beneficiary with a Change in Circumstances:

In some cases, the waiver applicant will be institutionalized and Medi-Cal eligible as an institutionalized individual prior to a referring agency contacting the CWD; however, depending on the waiver and circumstances, many persons may already be deinstitutionalized prior to requesting an eligibility determination. Some may have never been institutionalized but have a high SOC or are in jeopardy of becoming institutionalized because their insurance is being terminated.

**SECTION NO.:** 

MANUAL LETTER NO.: 255 DATE: 12/12/01 19D-2

If the waiver applicant is currently receiving Medi-Cal-Only, the individual's move from an institutional setting to a non-institutional setting or from one community setting to another community setting generally will be treated by the county as a change in circumstances rather than a new application. The applicant does not complete a new Application for Public Assistance, but the county may require a new Statement of Facts if appropriate.

If the person is currently institutionalized and is already receiving Medi-Cal, he/she is likely either a Medically Needy beneficiary in his/her own Medi-Cal family budget unit (MFBU) or is receiving Supplemental Security Income (SSI) and automatic SSI-based Medi-Cal. A new eligibility determination based on a non-institutional living arrangement is required prior to the person being discharged either to the home of his/her spouse or parents or to a community setting to ensure continuing Medi-Cal eligibility so he/she can receive waiver services. NOTE: Some people may not lose SSI upon returning home because the family income/property is below the SSI limit. Persons who are on SSI or qualify for a zero SOC Medi-Cal card because the family income/property is below the limit should not be in the Model or DDS waivers.

#### B. County Contact

Each county shall designate a waiver contact person. The county waiver contact person will receive the request for a Medi-Cal eligibility determination from the referring agency, coordinate the Medi-Cal eligibility determination, and answer questions about the program even though the actual determination may be made by other county staff. The contact for each county is attached to these procedures. It is important that applicants be directed to the county contacts because they understand how to process those waivers that disregard parental and spousal income and resources. Once the county receives a referral, the county will determine Medi-Cal eligibility based on the criteria for the appropriate waiver including the living arrangement covered by the waiver.

#### III. WAIVERS TYPES

There are six types of waivers. The first two have special Medi-Cal eligibility determination requirements. The last four follow regular eligibility rules.

- A. Department of Developmental Services Home and Community-Based (DDS) Waiver
- B. Model-Nursing Facility (Model-NF)
- C. In-Home Medical Care Services (IHMC) Waiver
- D. Nursing Facility (NF) Services Waiver
- E. Acquired Immune Deficiency Syndrome (AIDS) Waiver
- F. Multipurpose Senior Service Program (MSSP) Waiver

#### **DESCRIPTION AND PROCESSING**

- A. Department of Developmental Services (DDS) Home and Community-Based Services Waiver
- Β.
- 1. Description

The DDS HCBS waiver is limited to developmentally disabled children and adults who live at home and meet the admission criteria for an intermediate care facility for the developmentally disabled as defined in the California Health and Safety Code. Waiver eligibility will be determined by the regional centers, but counties are responsible for the Medi-Cal determination. Services provided include homemaker, home health, residential habilitation, day habilitation, skilled nursing, transportation, specialized medical equipment and supplies, personal care, respite, environmental modifications, chore service, personal emergency response systems, physical therapy, occupational therapy, physiology services, vehicle adaptations, communication aides, and crisis intervention.

2. Referring Agency: Department of Developmental Services (DDS) - Regional Centers

The regional centers of DDS are responsible for the DDS Home and Community-Based Services (HCBS) Waiver. DDS contracts with local regional centers which are responsible for seeking Medi-Cal for their clients. These regional centers are *nonprofit agencies*. The regional center will determine the medical appropriateness of waiver coverage before referral to the CWD by reviewing the applicant's medical, social, and developmental care needs. If appropriate, the regional center will refer him/her to the county for an eligibility determination or redetermination via the Department of Developmental Services Waiver Referral form (DHS 7096). If no responsible relative is available to act on the applicant's behalf or he/she does not wish to apply for the applicant, the regional center may do so, although they may not necessarily be the child's conservator. Counties may share ongoing eligibility information with the regional centers regardless of who acts on the client's behalf. See the attached list for the name and address entitled "Contacts for Regional Centers".

3. Eligibility Requirements

The individual must meet all standard Medi-Cal eligibility rules such as California residency and cooperation when determining eligibility for the waiver.

- If the individual is eligible for Medi-Cal with no SOC without using the special waiver rules, he/she is not eligible for the waiver. The county should contact the regional center and inform their contact that the waiver is not appropriate. However, if after a preliminary screening, it appears that the applicant will be property ineligible or has a SOC using parental or spousal income and property, the special rules below apply:
- The applicant is treated as if he/she were institutionalized for purposes of the treatment of income and resources.

- If the applicant is a child, parental income and resources are not considered even though the child lives in the home.
- If the applicant is an adult, spousal impoverishment rules apply.
- A second vehicle is exempt if the vehicle has been modified to accommodate the physical handicap(s) or medical needs of the individual. Verification shall be by the physician's written statement of necessity.
- The individual is in his/her own MFBU. If other family members wish to be aided, the individual is treated similar to those on public assistance (PA) e.g., the individual may be used to link other family members although the individual is not in the family's MFBU.
- The waiver is limited to those who are eligible with or without a share of cost for <u>full</u> benefits. A person residing in a nursing home under the state-only aid code of 53, a person in another limited scope aid code, or a person who does not have satisfactory immigration status is not eligible.
- The county should use the most beneficial full scope Medi-Cal program to determine eligibility that is applicable to the applicant, e.g., the Aged and Disabled program, the Medically Needy program (MN), the Medically Indigent (MI) program, or the Percent programs. Eligibility is based on the waiver individual's own income and resources, including amounts remaining after spousal impoverishment rules are applied.

For example: A child under age19 who has a SOC in the MN or MI program or excess property may be eligible under the appropriate Percent program which disregards property using a family size of one. He/she would then be reported to MEDS using the appropriate waiver aid code.

- A disability determination is not required unless (1) eligibility is based on a Medi-Cal program requiring that the individual be disabled, (2) the individual has no other basis for linkage or, (3) there would be an advantage if the applicant were disabled, e.g., income deductions available only to the disabled. This determination of disability may be advantageous in the future when the child becomes an adult.
- Aid codes for the DDS Waiver are:

6V No SOC 6W SOC

In some counties, persons in 6V may <u>choose</u> to be in a managed care plan. It is not mandatory.

#### B. DHS Model Nursing Facility Waiver (Model-NF)

1. Description

The Model-NF waiver is limited to persons who in the absence of the waiver program would otherwise require the nursing facility level of care or sub-acute services for at

SECTION NO.:	MANUAL LETTER NO.:	255	DATE: 12/12/01	19D-5

least 90 consecutive days but who wish to live at home or in the community. Individuals under the age of 21 must be able to access a waiver service which is not covered under the EPSDT program. Inpatient status prior to the enrollment of waiver services is no longer required. Services provided include but are not limited to: case management, skilled nursing, home health aides, language services, speech, hearing, family training and therapy, and physical therapy and adaptations to the home.

2. Referring Agency: DHS In-Home Operations (IHO)

The purpose of IHO is to ensure that necessary, appropriate, and quality medical and nursing services are authorized and provided in the home setting. IHO staff facilitate the proposal documentation and development between each waiver participant and provider. This process allows for review of all issues related to the recipient level of care, evaluation of Durable Medical Equipment, medication, nursing hours, cost-effectiveness and verification by IHO staff that the home environment is appropriate to meet the health and safety needs of the recipient. Final approvals of individual waiver requests are subject to review by a Medi-Cal physician and other staff.

3. Referral Process

The medical component may not have been completed by IHO staff prior to the agency referral to the county. If not, the county will receive a Model Waiver Screening Form Notice (DHS 7097) from IHO indicating the need for a determination and the applicable living condition. The county should call the IHO Eligibility Liaison or return the form indicating the results of the eligibility determination and await notification from the section before reporting any eligibility to the Medi-Cal Eligibility Data System (MEDS).

When the medical component has been completed, the county will receive a copy of the Model-Nursing Facility (NF) Waiver Medical Eligibility Notice, a copy of which is attached. The county should contact the IHO Eligibility Liaison for the date of eligibility if the medical determination has already been completed and the eligibility date is not stated. If the applicant is determined to be ineligible for any reason, the county should also inform the IHO Eligibility Liaison.

For more information, counties may contact the following:

In-Home Operations Intake Unit 700 North Tenth Street P.O. Box 942732 Sacramento, CA 95814 (916) 324-1020

4. Eligibility Requirements

The Model waiver has the same Medi-Cal eligibility rules as the DDS waiver. In-Home Operations will do some prescreening of income and property prior to referring the individual to the county. The requirements are:

The individual must meet all standard Medi-Cal eligibility rules such as California residency and cooperation when determining eligibility for the waiver.

- If the individual is eligible for Medi-Cal with no SOC without using the special waiver rules, he/she is not eligible for the waiver. The county should contact IHO and inform the contact that the waiver is not appropriate. However, if after a preliminary screening, it appears that the applicant will be property ineligible or has a SOC using parental or spousal income and property, the special rules below apply:
- The applicant is treated as if he/she were institutionalized for purposes of the treatment of income and resources.
- If the applicant is a child, parental income and resources are not considered even though the child lives in the home.
- If the applicant is an adult, spousal impoverishment rules apply.
- A second vehicle is exempt if the vehicle has been modified to accommodate the physical handicap(s) or medical needs of the individual. Verification shall be by the physician's written statement of necessity.
- The individual is in his/her own MFBU. If other family members wish to be aided, the individual is treated similar to those on public assistance (PA) e.g., the individual may be used to link other family members although the individual is not in the family's MFBU.
- The waiver is limited to those who are eligible with or without a share of cost for <u>full</u> benefits. A person residing in a nursing home under the state-only aid code of 53, a person in another limited scope aid code, or a person who does not have satisfactory immigration status is not eligible.
- The county should use the most beneficial full scope Medi-Cal program to determine eligibility that is applicable to the applicant, e.g., the Aged and Disabled program, the Medically Needy program (MN), the Medically Indigent (MI) program, or the Percent programs. Eligibility is based on the waiver individual's own income and resources, including amounts remaining after spousal impoverishment rules are applied.

For example: A child under age19 who has a SOC in the MN or MI program or excess property may be eligible under the appropriate Percent program which disregards property using a family size of one. He/she would then be reported to MEDS using the appropriate waiver aid code.

 A disability determination is not required unless (1) eligibility is based on a Medi-Cal program requiring that the individual be disabled, (2) the individual has no other basis for linkage or, (3) there would be an advantage if the applicant were disabled, e.g., income deductions available only to the disabled. This determination of disability may be advantageous in the future when the child becomes an adult.

Services provided include but are not limited to: case management, skilled nursing, home health aides, utility coverage, case management, and minor physical adaptations to the home.

2. Referring Agency: DHS In-Home Operations (IHO).

Generally, if the applicant is not referred, the county probably will not be aware that the applicant is seeking a waiver and will process the determination as they normally do.

3. Eligibility Requirements

No special Medi-Cal eligibility rules apply. If the applicant is living in the home, he/she is not in a separate MFBU from his/her parent/spouse.

### D. Nursing Facility Level of Care (NF) Waiver

1. Description

Services provided include, but are not limited to: case management, skilled nursing, home health aides, language services, speech, hearing, family training and therapy, physical therapy and adaptations to the home. Individuals under the age of 21 may access services under the NF waiver that are not covered under the EPSDT program.

2. Referring Agency: DHS In-Home Operations (IHO).

Generally, if the applicant is not referred, the county probably will not be aware that the applicant is seeking a waiver and will process the determination as they normally do.

3. Eligibility Requirements

No special Medi-Cal eligibility rules apply. If the applicant is living in the home, he/she is not in a separate MFBU from his/her parent/spouse.

#### E. DHS Acquired Immune Deficiency Syndrome (AIDS) Waiver

1. Description

The AIDS waiver is limited to persons with a diagnosis of Human Immunodeficiency or Acquired Immune Deficiency Syndrome (AIDS) with symptoms related to Human Immunodeficiency Virus (HIV) disease who would otherwise require care in skilled nursing facilities or acute hospitals. Services provided include case management, skilled nursing, attendant care, psycho-social counseling, non-emergency medical transportation, homemaker services, specialized medical equipment and supplies, minor physical adaptations to the home, a limited supplement for infants and children in foster care, nutritional counseling, and nutritional supplements/ home delivered meals.

2. Referring Agency: Office of AIDS

Applicants for this waiver have had the medical component for waiver inclusion completed prior to referral to the county.

3. Eligibility

No special Medi-Cal eligibility rules apply.

#### F. Department of Aging Multipurpose Senior Service Program (MSSP) Waiver

1. Description

The MSSP waiver program is limited to the frail elderly who are over sixty-five years of age and receive Medi-Cal under an appropriate aid code. MSSP clients reside in their own homes within a particular service area. Potential clients are screened for eligibility as to Level of Care Determination (LOC) and must be certifiable for placement in a nursing facility. Clients have to be appropriate for case management services and be able to be served within MSSP's cost limitations.

MSSP provides interdisciplinary case management services including the coordination and use of existing community resources. Case managers initiate and oversee the process of assessments, care plan development, service arrangement, ongoing monitoring and reassessments. Clients may be linked to services including but not limited to: housing assistance, protective services, personal care, respite care, transportation, meal services, and special communications. Case managers can authorize the purchase of services with waiver funds when there is no existing community resource to meet client needs. Case managers are responsible for the provision and ongoing review of services in the client's plan of care.

MANUAL LETTER NO.: 255 DATE: 12/12/01 19D-9

#### 2. Referring Agency: Department of Aging

The California Department of Aging (CDA) has an inter-agency agreement with the Department of Health Services (DHS), which is the single State Medicaid agency. Within CDA, the MSSP Section of the Medi-Cal Services Branch is the unit responsible for reviewing and monitoring MSSP sites for contract compliance. Government and private nonprofit agencies hold contracts to administer MSSP sites at the local level. Referrals for MSSP sites come from a variety of sources including but not limited to: local county agencies, social service and aging organizations, hospitals, home care organizations and a variety of community based organizations.

3. Eligibility

MSSP clients must have one of the following qualifying Medi-Cal aid codes: 10, 14, 16, 18, 1H, 20, 24, 26, 28, 60, 64, 66, 68, and 6H. Three other aid codes may be eligible for MSSP: 17, 27, and 67; these are only eligible with the supplemental identifying aid codes of 1F, 2F or 6F. Applicants who appear eligible for Medi-Cal but are not receiving benefits should be referred to the county welfare department for Medi-Cal eligibility determination. No special Medi-Cal eligibility rules apply.

#### V. GENERAL PROCESSING INFORMATION

A. Notices of Action (NOA)

All waiver applicants should receive a NOA approving or denying Medi-Cal eligibility. The county will send a NOA to the applicant and a copy to the appropriate State referring agency or Regional Center. Model Nursing and DDS waiver applicants have special NOAs. The Office of AIDS sends out a special NOA. Copies of these NOAs are included in these procedures. NOTE: If the Model waiver applicant is still institutionalized but wishes to know whether he/she would be Medi-Cal eligible or the amount of his/her SOC upon discharge, the Screening Form may be sent to the referring agency indicating this information prior to the regular NOA.

B. Beginning Date of Waiver Eligibility

The effective date of Medi-Cal coverage for applicants of a waiver where the waiver has special eligibility rules should be the date the following two requirements are met:

- 1. The referring agency determines that it is medically appropriate for the waiver applicant to be in that waiver, and
- 2. The county determines that the waiver applicant meets the Medi-Cal eligibility requirements under that waiver.

Counties should contact IHO or the Regional Center to determine the effective date unless it is indicated on the referral form. NOTE: Retroactive eligibility rules as stated in Section 50710 of the California Code of Regulations remain in effect.

C. There may be waiver persons requesting In Home Supportive Services (IHSS). The IHSS residual component does not waive parental income and resources of parents or use spousal impoverishment rules; therefore, it is unlikely that the beneficiary will be eligible. Counties may refer these persons to the PCSP component of IHSS; however, a parent or spouse may not be the provider of services.

#### D. Annual Redetermination

The county shall redetermine eligibility as required by Section 50189. Only information about the waiver beneficiary is required. Counties should check with IHO or the referring Regional Center at the yearly determination to verify that the waiver beneficiary is still medically eligible for the waiver.

E. Medi-Cal Family Budget Unit (MFBU)

Persons in the Model Nursing and DDS waivers are in their own MFBU. Spousal Impoverishment rules apply. Since the waiver person is in his/her own MFBU, the maintenance need or income limit for the waiver person is based on a family size of one. If there are multiple persons in the same household applying for these waivers, each person is in his/her own MFBU. If other family members are applying for or are receiving regular Medi-Cal, the Model or DDS waiver person should be treated similar to public assistance (PA) persons, e.g., they are not in the MFBU with other family members; however, they may be used to link other family members. Persons applying for the other four waivers are considered part of the household if they are determined to be living in the home; therefore, regular Medi-Cal MFBU rules apply. NOTE: It if is more beneficial for the person to be in the MFBU with the other family members, the waiver applicant may choose not to be in the waiver and to be determined under regular Medi-Cal rules. The county should notify the referring agency of this decision.

F. SSI Personal Needs Allowance (PNA)

Effective June 1, 1990, federal law began allowing a former institutionalized SSI child the same PNA as an institutionalized SSI child as long as the non-institutionalized child is in a home and community-based waiver. Because the Social Security Administration (SSA) needs to confirm that such a child is in a waiver before the PNA can begin or that such child remains in a waiver for the PNA to continue, counties may be requested to verify such information at the time waiver coverage begins and then at the SSA redetermination. Since such information is confidential, counties must first have permission from the child's parent or from another appropriate adult before releasing this information to SSA. The DHS 7071 form was developed to secure this parental consent and may be used to release this information to SSA. Although DHS has developed a system to allow the waiver aid code to continue, counties should be aware that in some cases (depending on how SSA enters the information), when the waiver beneficiary begins receiving the PNA, MEDS will convert the waiver aid code to an aid code of 60. If this occurs and the waiver person is still living in the home and is not eligible for a regular SSI payment, counties should contact DHS so this may be corrected.

#### G. Quality Control

Counties should indicate that a special income and resource determination was used when determining eligibility for persons in the Model and DDS waivers to prevent confusion when persons such as Quality Control review the file. A copy of the DDS referral form or IHO notice should also be in the file.
