Letter No.: 91-74

SUBJECT: EDWARDS - Inter-County Transfer Responsibility

Since the implementation of Edwards status for certain AFDC discontinuances, there has been concern and confusion about Inter-County Transfers (ICTs). After much discussion with counties regarding ICTs and Edwards cases, the consensus is the sending county is the county of responsibility. The sending county is able to identify the status; therefore, the logical place of responsibility.

ACWD Letter 91-67 also addresses file clearance of ICTs in the Systems Questions section, Issue 4.

If you have Policy questions about Edwards, contact RaNae Dunne at (916) 324-4955. Questions about MEDS may be directed to Bonnie Kinkade at (916) 322-2777.

Sincerely,
