

Recruiting can be hard. Let 3RNet help make it easier.

3RNet is a national nonprofit network of members working for you. Learn how 3RNet can help you find great candidates looking for the jobs in rural or underserved areas you're trying to fill.

Learn more through this FREE webinar:

3RNet: A National Nonprofit Working For You December 9, 2014 10:00 -11:00 AM PST

- Learn more about 3RNet.org, a national network & job board with a 20 year history of connecting health professionals with job opportunities in rural & underserved areas
- Gain a solid understanding of the capabilities of both the 3RNet website & your 3RNet California members
- Discover tools & resources to benefit your organization that you can take advantage of through your 3RNet member
- Hear how the California 3RNet web presence can help you accomplish your goals

Whether you are posting jobs for your organization or are working with individuals looking for mental health and other health care career opportunities, 3RNet is a tool you should know about.
