### FOOTNOTES

- In accordance with Section 5960,15 of CA Welfare & Institutions Code (WIC), grantees will be required to commit to operating services in the facility for the intended purpose for a minimum of 30 years.
- These facility types may not require a state license but may still be subject to certification, accreditation, or other oversight mechanisms.
- Guidance on the determination of whether a facility is an IMD can be found in section 4390 of the State Medicaid Manual. Contact DHCS at MHIMD@dhcs.ca.gov for additional IMD information.
- A DHCS Medi-Cal Certification is not a requirement to obtain facility licensure from the respective oversight agency/department. However, BHCIIP/Bond BHCIIP awarded applicants must commit to serve Medi-Cal members and obtain a DHCS Medi-Cal Certification, if applicable.
- W&I Code § 5150
- Additional type of Community Mental Health Clinic includes an Outpatient Mental Health Facility which would seek certification through the County for Medi-Cal Certification. CDPH refers to this facility as a Community Mental Health Center.
- Certification is a mandatory requirement as part of the Behavioral Health Continuum Infrastructure Program.
- Mental Health Wellness Act Peer Respite Project Outline
- California Mental Health Services Authority (CalMHS)
- Licensee must obtain and maintain CMS Certification to provide Medi-Cal inpatient psychiatric services for individuals under 21 years of age.
- Also referred to as Social Rehabilitation Program (SRP). The California Department of Social Services (CDSS) licenses Social Rehabilitation Facilities (SRF), and DHCS provides the SRP certifications as either a Short-Term Crisis Residential Treatment Program, Transitional Residential Treatment Program, or Long-Term Residential Treatment Program. The SRP is a certification and does not exist without the SRF license.
- If participating through the Drug Medi-Cal Organized Delivery System (DMC-ODS) waiver as part of the Special Terms and Conditions (STCS) requirement, it is required to obtain a DHCS LOC or ASAM Designation. However, if you are not a DMC-ODS provider, then you are not eligible to apply for a DHCS LOC or ASAM designation.
- Medication Units are a brick and mortar program and do not include mobile narcotic treatment programs
- Partial Hospitalization Program must meet Cal. Code Regs. Tit. 9, § 690 - Minimum Professional Staff requirements. In addition, if providing Outpatient AOD services must apply for AOD certification.
- DHCS Community Supports Policy Guide
