

Behavioral Health Continuum Infrastructure Program (BHCIP) Outcomes

DHCS was authorized through 2021 legislation to establish Behavioral Health Continuum Infrastructure Program (BHCIP) and award competitive grant funding to construct, acquire, and expand properties and invest in mobile crisis infrastructure related to behavioral health.

DHCS has been releasing these funds through multiple grant rounds targeting various gaps in the state's behavioral health facility infrastructure.

ROUND 1: CRISIS CARE MOBILE UNITS

\$163+ million to fund county, city, and tribal entity behavioral health authorities to implement new and enhanced CCMUs

(\$150 million BHCIP; remainder SAMHSA CRRSSA funds)

- DHCS awarded more than \$163 million to 78 county, city, and tribal entities, directly supporting 245 new or enhanced mobile crisis response teams throughout California.

ROUND 2: COUNTY AND TRIBAL PLANNING GRANT

\$7+ Million for planning grants to counties and tribal grantees

- This grant provides an opportunity for counties and tribal entities to expand planning efforts in their communities or regions for the acquisition and expansion of behavioral health infrastructure statewide.
- DHCS awarded \$7+ million to support planning grants for 18 tribes and 30 counties.

ROUND 3: LAUNCH READY

\$518.5 million to projects that are launch ready

- DHCS awarded 45 organizations funds to build or expand launch-ready behavioral health care facilities.
- This funding created 37 new inpatient and residential facility sites that will offer 1,292 new behavioral health treatment beds and 44 outpatient facilities that will serve over 130,321 new individuals annually.

ROUND 4: CHILDREN AND YOUTH

\$480.5 million to children and youth-focused facilities

- DHCS awarded 52 projects focused on facilities that provide care for children and youth ages 25 and younger, including pregnant/postpartum women and their children, transition-age youth (TAY, ages 18-25), and their families.
- These funds will support 29 new inpatient and residential facility sites with 509 new treatment beds and 46 outpatient facilities that will serve over 76,977 new individuals annually.

ROUND 5: CRISIS AND BEHAVIORAL HEALTH CONTINUUM

\$430 million to fund projects focused on crisis services

- DHCS awarded 33 organizations for projects that will address significant crisis services gaps, with consideration for funding priority to those that provide crisis services to individuals in need.
- These funds will support 29 new inpatient and residential facility sites with 800 new treatment beds and 38 outpatient facilities that will serve over 73,848 new individuals annually.

Facility Types Funded by BHCIP in Rounds 3, 4, and 5

Beds and Annual Outpatient Capacity¹ Funded by BHCIP in Rounds 3, 4, and 5

Inpatient/Residential Beds		Total: 2,601		Total: 281,146			Outpatient Capacity
Acute Psychiatric Hospital		295			24,585		Behavioral Health Integrated Outpatient ⁶
Adolescent Residential SUD Treatment Facility ²		8			20,658		Behavioral Health Urgent Care/ Mental Health Urgent Care
Adolescent Residential SUD Treatment Facility		80			22,102		Community Mental Health Clinic/Outpatient Clinic
Adult Residential SUD Treatment Facility ³		405			80,556		Community Wellness/Youth Prevention Center
Adult Residential SUD Treatment Facility		760			66,523		Crisis Center Stabilization Unit (CSU)
