Data Collection Reporting (DCR) System  
MHA Full Service Partnership Reporting  
County Submission Status  
September 6, 2025**

<b>County</b>	<b>CA Department of Health Care Services Data Collection Reporting (DCR) System County Submission Issue Status as of 9/6/2025</b>	<b>Planned Submission Date</b>
Mariposa	County has been working on this. They have fixed the file according to the updated specifications however it is not being accepted on the state site. All FSP information is captured, and they have it prepared for upload once the state system will accept it.	They are waiting for final approval to move forward with submission.
Santa Cruz	County has reached out to support for help in overdue reporting on clients active in the portal, current clients in treatment and opened during the lapse in reporting, and clients open since July 2025. They have requested to connect with someone to discuss logistics and test file submission.	They are waiting for additional guidance before submitting.
Ventura	County continues to work with CalMHSA to complete system set up and batch reporting functionality. They have made good progress in the batch reporting functionality and have been working closely with DHCS to send XML information to their vendors for accurate set up.	County anticipates continuing to capture all FSP data elements into the system and once CalMHSA completes their set-up and batch functionality corrections they plan on submitting data daily until they are fully up to date.
