

## **Enclosure 1: Enclosure for Member Handbooks**

### **ADDITIONAL SERVICES AVAILABLE**

#### ***Enhanced Community Health Worker (CHW) Services***

- CHWs are health workers who have special training in providing health services and information to their communities and are trusted members of their communities.
- The goal of Enhanced CHW Services is to help prevent or manage chronic diseases, disabilities, and other health problems.
- Enhanced CHW Services include health education and training, including control and prevention of chronic or infectious disease; behavioral, perinatal, and oral health conditions; and injury prevention; health promotion and coaching, including goal setting and creating action plans to address disease prevention and management.
- Contact your county using the telephone number on the cover of this handbook for more information about this service.
