STATE PLAN AMENDMENT 21-0027: DISASTER RELIEF FOR THE GOLDEN STATE
SUPPLEMENT AND GRANT

Dear Mr. Scott:

The Department of Health Care Services (DHCS) is submitting State Plan Amendment (SPA) 21-0027 for your review and approval. SPA 21-0027 seeks to implement the policies and procedures as described, which are different than the policies and procedures otherwise applied under the Medicaid state plan, during the period of the Coronavirus (COVID-19) public health emergency (PHE). The effective date of SPA 21-0027 is February 23, 2021.

Using the SPA template provided by the Centers for Medicare and Medicaid Services (CMS) for disaster relief during the COVID-19 PHE, DHCS seeks to exclude Golden State Supplement and Golden State Grant payments made to qualifying individuals, as authorized by Senate Bill 88 (Chapter 8, Statutes of 2021), from being counted as income or resources in the Medi-Cal eligibility determination.

DHCS received CMS approval of no Tribal notice on April 1, 2021.

DHCS is submitting CMS Form 179 and the disaster relief SPA template. The budget impact estimate is based on current policy that directs that DHCS must maintain coverage for current beneficiaries under the continuous coverage requirement under the federal Families First Coronavirus Response Act (FFCRA). The disregards target low-income individuals who are likely already receiving Medicaid services, and an increase in Medicaid applicants would be insignificant. DHCS estimates that there is no federal fiscal impact.
