CD 1.2:

SABG State-County Contract, Exhibit A, Attachment I A2, Part III, G

G. Master Provider File (MPF) Documentation Requirements

The Department shall generate a County MPF Report for the Contractor on the last day of each month and shall send the report to the Contractor. The Contractor shall review the County MPF Report and confirm whether the information, including the contract status and identification information for each provider listed in the County MPF Report, is accurate and up to date.

If any information contained in the County MPF Report is inaccurate or has changed, Contractor shall send a written notification to the MPF mailbox at: DHCSMPF@dhcs.ca.gov within five business days of the Department's issuance of the County MPF report. If a Non-DMC provider's information is not accurate or has changed, the Contractor shall submit the "Existing Provider Information Update/Change Form" to the MPF mailbox at: DHCSMPF@dhcs.ca.gov within five business days of the Department's issuance of the County MPF report. If the contract status has changed for either a DMC or Non-DMC provider, the Contractor shall submit the "Existing Provider Information Update/Change Form" to the MPF mailbox at: DHCSMPF@dhcs.ca.gov within five business days of the Department's issuance of the County MPF report. Specific types of changes and/or inaccuracies include, but are not limited to, a change in an existing provider's contract status with the County, a change in scope of services, remodeling of the provider's facility, relocation or facility expansion, or closing of a facility site.

When establishing a new subcontractor relationship, the Contractor shall submit the "New Provider Information Form (Non-DMC) Form" to request a new record be created in the MPF database to identify the new subcontractor. A new CalOMS Data Reporting Number (DRN) will be assigned to the facility. The Contractor's obligation to review the accuracy of the records of their sub-contracted provider(s) extends to all county and out-of-county SUD providers, regardless of the funding source or DHCS licensing and/or certification status.

All SUD Provider Information forms can be requested from the MPF Team through the electronic mail address: DHCSMPF@dhcs.ca.gov

Finding: The County did not provide evidence the County's MPF is accurate.

A referral may be made to another faith-based or religious organization, if the beneficiary has no objection to that provider. But if the beneficiary requests a secular provider, and a secular provider is available, then a referral must be made to that provider. Except for services provided by telephone, internet, or similar means, the referral must be to an alternative provider that is in reasonable geographic proximity to the organization making the referral and that offers services that are similar in substance and quality to those offered by the organization. The alternative provider also must have the capacity to accept additional beneficiaries.
