

List of Indian Health Care Programs

A list of current Indian Health Care Providers (IHCPs) is displayed in an interactive dashboard available on the [Indian Health Care Programs Locator](#) webpage.

List of Indian Health Care Providers (IHCPs) approved to provide traditional health care practices

A list of IHCPs approved to provide traditional health care practices to Medi-Cal members will be added to the DHCS [traditional health care practices webpage](#) on a rolling basis. Once the IHCP receives an approval letter from DHCS, IHCPs shall share a copy of the opt-in package and approval letter with the DMC-ODS counties in which they plan to provide services.
