Important news about your Medi-Cal coverage

Dear Member,

You will soon get Subacute Care (adult and pediatric) and most of your Medi-Cal services through a Medi-Cal health plan in your county. You will be enrolled in a Medi-Cal health plan. If you have Medicare, your Medicare benefits and providers will **not** change.

You will be enrolled in this Medi-Cal health plan and dental plan:

Health Plan	Dental Plan	Start Date
<MCP>	<Dental Program>	01/01/2024

Here are some important things to know:

- **Your Medi-Cal eligibility and covered services will not change.** You do not need to call your county eligibility worker.
- **Your Medi-Cal health coverage will change from Fee-For-Service (FFS) (Regular) Medi-Cal to Medi-Cal Managed Care.**
- **Your Subacute Care Facility will not change for at least 12 months from the date you enrolled in your new Medi-Cal health plan, if you live in a:**
 - Subacute Care Facility
- **You do not have to ask for “Continuity of Care” to stay in your facility.** You can stay in your Subacute Care Facility. As long as the services you get are medically necessary, you do not have to ask for continuity of care. After 12 months, you can ask your new Medi-Cal health plan to stay in your Subacute Care Facility for another 12 months.

- **If you have a concern about your quality of care at the Subacute Care Facility** where you live and you want to move to a new Subacute Care Facility, contact your new Medi-Cal health plan.
- **Your other Medi-Cal providers may change.** This includes your Medi-Cal doctors, specialists, and therapists. Your Medi-Cal health plan will contact you. They will work with you, your Subacute Care Facility, your Regional Center, and your caregivers. They will discuss your care needs and how you will keep getting the care you need. You have a right to ask for continuity of care to keep your current providers for up to 12 months.

Medicare Advantage

You are a member of a Medicare Advantage (MA) plan with a matching Medi-Cal health plan in your county. Because your Medi-Cal health plan will no longer be a Medi-Cal plan starting in January 2024, your Medi-Cal health plan will change. If you change your MA plan, we may change your Medi-Cal health plan to match your MA plan.

The state has a Medi-Cal Matching Plan Policy in some counties. This means that if you join an MA plan, and there is a matching Medi-Cal health plan that matches with that MA plan, you must choose that Medi-Cal health plan. This policy does not change or affect your choice of an MA plan.

The list of matching Medicare and Medi-Cal health plans for your county is available at **www.healthcareoptions.dhcs.ca.gov/medi-medi-charts**. You can call 1-800-Medicare (1-800-633-4227) to enroll.

Learn more

To learn more about these changes, go to the Medi-Cal website at **www.dhcs.ca.gov/provgovpart/Pages/Subacute-LTC-Carve-In-Member-Information.aspx** to read the *Notice of Additional Information About Your Rights and Long-Term Care Benefits (NOAI)*. You can also scan the Quick Response (QR) code with your smartphone at the bottom of this letter to access the NOAI. It has more about Medi-Cal health plan enrollment, your Medi-Cal health plan choices, Medicare and Medi-Cal services, continuity of care, and resources for answers to questions.

If you want a written copy of this notice mailed to you, call Medi-Cal Health Care Options (Medi-Cal HCO) Monday – Friday, 8 a.m. to 6 p.m. at 1-800-430-4263 (TTY: 1-800-430-7077). If you want this notice in another language or format such as large print, audio, or Braille, call Medi-Cal HCO Monday – Friday, 8 a.m. to 6 p.m. at 1-800-430-4263 (TTY: 1-800-430-7077).

We will also call you or your authorized representative to offer information and support during this change.

Your Medicare benefits will not change

Your Medicare benefits and providers will not change when your Medi-Cal health plan changes. They will not change unless you change your Medicare Advantage plan. Your Medicare providers:

- Do not have to be in your Medi-Cal health plan network to keep giving you care
- Cannot charge co-pays, co-insurance, and deductibles if you are in Medi-Cal
- Should bill your Medi-Cal health plan for co-pays, co-insurance, and deductibles even if they are not in the Medi-Cal network

American Indian and Alaska Native Members

If you are an American Indian or Alaska Native member enrolled in a Medi-Cal health plan, you may get services from an Indian Health Care Provider of your choice. If you have questions about your benefits, call your Medi-Cal health plan or the Medi-Cal Ombudsman at 1-888-452-8609.

You will keep getting these benefits the same way you get them now:

- Medicare benefits
- Home and community-based services
- Pharmacy services
- Substance use disorder (SUD) treatment services
- Specialty mental health services
- Dental services in most counties

Your other health coverage

If you have other health coverage (OHC) such as private insurance, Medi-Cal is the payer of last resort. Your OHC providers must also be enrolled in Medi-Cal, but they:

- Do not have to be in your Medi-Cal health plan network to keep giving you care. If a service requires prior authorization (pre-approval), the out-of-network provider can use a letter of agreement or something similar. Without this, the provider may not be paid for billed amounts above the allowable FFS rate.
- Cannot charge co-pays, co-insurance, and deductibles if you are in Medi-Cal
- Should bill your Medi-Cal health plan for co-pays, co-insurance, and deductibles even if they are not in the Medi-Cal network

About Medi-Cal health plans

A Medi-Cal health plan is a health plan. It works with doctors, hospitals, pharmacies, and other health care providers to give you the medically necessary Medi-Cal services you need. Your health plan will:

- Help manage your Medi-Cal benefits and services
- Help you find Medi-Cal doctors and specialists in the plan network (group)

- Help you keep your current Medi-Cal providers for up to 12 months, if certain conditions are met
- Have a 24-hour nurse advice line you can call
- Have a free member services telephone number to answer your questions
- Help you with rides to and from your provider, such as your specialist or hospital
- Help you get services you need that your plan does not cover
- Give you language services you need such as, interpreter services; documents in your language; or documents in Braille, large print, or audio or data CD
- Work with your intermediate care facility or subacute care facility to coordinate your health care needs, including your medical, mental health, pharmacy, or social services needs
- Work with your authorized representative to engage in your care plan

Exemptions from joining a Medi-Cal health plan

You may not have to join a Medi-Cal health plan if you:

- Are an American Indian/Alaska Native,
- Are a beneficiary who gets assistance under Foster Care, the Adoption Assistance Program, or Child Protective Services,
- Live in a California Veteran's home,
- Already have an approved medical exemption from the requirement to join a Medi-Cal health plan, or
- Get a medical exemption from the requirement to join a Medi-Cal health plan

Medical Exemption Request (MER) from joining a Medi-Cal health plan

If you have a legally recognized complex medical condition and your **Medi-Cal** doctor or clinic is an FFS Medi-Cal provider who is not in a Medi-Cal health plan network in your county, you might be able to get a medical exemption to keep your current Medi-Cal provider for **up to 12 months**. If your exemption is approved, you can stay in FFS Medi-Cal and keep your doctor until the medical exemption ends.

If you want to stay in FFS Medi-Cal, ask for a medical exemption as soon as you can. In most cases, you cannot get an exemption from managed care enrollment after you have been in Medi-Cal health plan for **90 days or more**.

You do **not** need a medical exemption to keep your **Medicare** providers.

Ways you can ask for a medical exemption:

- By phone: Call Medi-Cal HCO Monday – Friday, 8 a.m. to 6 p.m. at 1-800-430-4263 (TTY: 1-800-430-7077).

- Online: Go to Medi-Cal HCO at **www.healthcareoptions.dhcs.ca.gov**.

Medical exemption extension

If you want to keep your Medi-Cal provider for more than 12 months, you may be able to ask for a medical exemption extension. If you want to ask for an extension, you must wait until at least 11 months from your existing medical exemption's start date. HCO will tell you when it is 45 days before your medical exemption ends and how to ask for an extension.

What to do now

- **You do not have to do anything.** You will be enrolled automatically into the matching Medi-Cal health plan. Your new coverage will start **January 1, 2024**.
- **If you want to choose another Medi-Cal health plan or dental plan, contact Medi-Cal HCO:**
