### Activity#1

Activity Start Date: 03/06/2023

Activity Name	Activity Description
Law Enforcement Officer Training	This program consisted of training and educating the Emeryville Police Department officers in appropriate practices and precautions when dealing with fentanyl, educating officers relating to naloxone and other drugs that treat overdoses for first responders, train the trainer courses in responding to medical emergencies involving overdoses, and officer wellness training.

Settlement	Funds Expended, Abatement (\$)
Distributors	1854.00

Local agencies or organizations who were given funds to implement this activity/program:  
City of Emeryville, Police Department, training section.

Allowable Expenditure Type: Prevent Overdose Deaths and Other Harms (Harm Reduction)  
Strategies Met:

- Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public

Allowable Expenditure Type: First Responders

- Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs
- Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events

High Abatement Activity:

HIAA Satisfied	Activity Description
This activity is not a High Impact Abatement Activity and do not meet the criteria as defined above.	

HIAA Satisfied	Population Served
This activity is not a High Impact Abatement Activity and do not meet the criteria as defined above.	

Additional Comments: The program implemented during this reporting period was for the training and education of police department personnel. This training and education consisted of responding safely to overdoses, officer safety when handling fentanyl, emergency medical training when interacting with someone who overdoses, training and education on naloxone, and substance abuse, and staff wellness and peer support.

## Activity#2

Activity Start Date: 03/26/2023

Activity Name	Activity Description
Officer Training on Crisis Intervention Response	This intervention approaches provided in training and implemented were de-escalation, redirection of individuals to social services, team activities

	aimed at directing individuals toward treatment, and proactive outreach.
--	--

Settlement	Funds Expended, Abatement (\$)
Janssen	5566.50

Local agencies or organizations who were given funds to implement this activity/program:  
City of Emeryville, Police Department, training section.

Allowable Expenditure Type: Address the Needs of Criminal Justice-Involved Persons  
Strategies Met:

- Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as: Self-referral strategies such as the Angel Programs or the Police Assisted Addiction 4 Recovery Initiative (PAARI) Active outreach strategies such as the Drug Abuse Response Team (DART) model "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reserve the effects of an overdose are then linked to treatment programs or other appropriate services Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model Officer Intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise

High Abatement Activity:

HIAA Satisfied	Activity Description
HIAA 4: Diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction Please describe:	The intervention approaches provided to social services, team activities aimed at directing individuals toward treatment, and proactive outreach. The department used the crisis intervention training to assist in county wide outreach services partnerships with social services, Social Security, the public defender's office, the DA's office, mental health workers, and substance abuse specialists. The wrap around services group is used for case management, diversion, and deflection, and harm reduction. The crisis intervention training is required for all team members who participate in this county forensic multi-disciplinary task force.
