High Abatement Activity:

HIAA Satisfied	Activity Description
HIAA 6: The purchase of naloxone for distribution and efforts to expand access to naloxone for opioid overdose reversals. HIAA Satisfied	Population Served
HIAA 6: The purchase of naloxone for distribution and efforts to expand access to naloxone for opioid overdose reversals. Please describe:	

Additional Comments: This program came at a time when our small city sadly had 5 opioid overdoses occur within a 48-hour period a few months ago. It became a major hot topic within the community and having these resources available helped educate, train and distribute the Narcan kits to parents, youth and school staff was invaluable.
