# Project Considerations

---

- Ensuring adequate PCP and specialist network given rural geography and infrastructure
- Maintaining Fee-for-Service patterns of care with managed care network
- Preparing a Managed Care delivery system prior to 2014
- Merging Healthy Families transition with new Managed Care expansion

# **Seniors and Persons with Disabilities (SPD) and Community-Based Adult Services (CBAS) Transition**

---

- **SPD**
    - 19 Rural Expansion counties (San Benito excluded)
    - SPDs were enrolled in COHS at the time of implementation
    - Approximately 22,000 Medi-Cal SPD beneficiaries are being transitioned
    - Implementation December 1, 2014
  - **CBAS**
    - 4 Counties (Butte, Humboldt, Imperial, Shasta) have CBAS centers with approximately 550 Beneficiaries
    - Must be in a Managed Care Health Plan to continue CBAS after transition
    - Implementation December 1, 2014
