7.	Finding #1	Trinity County did not include the summary & analysis of substantive written recommendations for revisions received during the 30-day comment period in the adopted Fiscal Year (FY) 2020-2023 Three-Year Program & Expenditure Plan (Plan) the adopted FY 2022-23 Annual Update.	The county must summarize & analyze the recommended revisions and must include any substantive written recommendations for revisions received during the 30-day comment period, in each subsequent adopted Plan & adopted Update thereafter. If no recommendations for revisions received, identify no recommendations received.	TCBHS has experienced multiple changes in the MHSA Coordinator position since 2017. As a result, there was not a fully trained MHSA Coordinator in place before the submission of the 2020-2023 Three-Year Plan and/or the FY 2022/23 Annual Update. The current MHSA Coordinator was hired on 7/1/2022 but has not been fully trained on all documentation requirements due to previous employees leaving before completing the training of new staff. 12.	Finding #5	Trinity did not provide an estimate of the number of clients, in each age group, to be served in the Full-Service Partnership (FSP) category for each fiscal year of the adopted FY 2020-23 Plan. (Cal. Code Regs., tit. 9, 3650(a)(3)).	The County must provide an estimate number of clients, in each age group, to be served in the FSP service category for each fiscal year of the adopted Plan & in each subsequent adopted Plan thereafter.	TCBHS has experienced multiple changes in the MHSA Coordinator position since 2017. Consequently, there was not a fully trained MHSA Coordinator in place prior to the submission of the 2020-2023 Three-Year Plan. Since the submission, a new MHSA Coordinator and Analyst have been hired. Moving forward, MHSA staff will undergo more comprehensive training. They will analyze FSP reports and include estimates in all future adopted plans. 10/21/2024 - The FY25-26 Annual Update will be submitted as evidence
