APPLICATION INSTRUCTIONS

Final Filing Date: The testing office will accept applications continuously. However, pre-established filing dates are scheduled every two months. The filing dates are:

June 30, 2022 August 31, 2022 October 31, 2022 December 30, 2022

Who Should Apply: Applicants who meet the minimum qualifications as stated on this bulletin may apply for and take this examination.

Once you have taken this examination, you may not retake it for **12** months.

How to Apply: Candidates are required to submit the following two items by the established filing date:

- 1. Examination/Employment Application (STD 678)**
- 2. Training and Experience Evaluation**

The STD 678 must be completed and submitted via one of the methods indicated below. Additionally, the Training and Experience Evaluation must be completed and submitted separately through SurveyMonkey using the link under “Taking the Examination” below.

To learn more about the job and testing arrangements, contact the testing office shown below. Completed applications must be received or postmarked by one of the cut-off dates. Applications postmarked or personally delivered after the cut-off date will be held and processed in the next examination administration. Dates printed on envelopes by mobile barcodes or equivalent mobile print technology are not acceptable proof of the date the application and any other required documents or materials were filed. Applications are available at <https://jobs.ca.gov/pdf/STD678.pdf> and may be filed in person or by mail as instructed below.

MINIMUM QUALIFICATIONS

It is your responsibility to make sure you meet the education and/or experience requirements stated on this bulletin by the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required. Part-time or full-time jobs, regardless of whether paid or volunteer positions, and inside or outside California state service will count toward experience.

NOTE: Applications/resumes **MUST** include “to” and “from” dates (month/day/year), time base, civil service class title(s), and range (if applicable). Applications/resumes received without this information will be rejected.

Qualifying experience may be combined on a proportionate basis if the following requirements include more than one pattern and are distinguished as either I, II, or III, etc.

Possession of an active valid license as a registered nurse in California. (Applicants who do not meet this requirement will be admitted to the examination, but they must secure the required license before they will be considered eligible for appointment.)

AND

Baccalaureate or higher degree in nursing from a school of nursing accredited by the National League for Nursing (NLN) or its equivalent for foreign graduates. (For applicants who received a baccalaureate degree in a health-related field prior to 1990, the California state Public Health Nurse Certificate may be substituted for the baccalaureate in nursing (BSN), thereafter the baccalaureate or higher degree must be in nursing from a school of nursing accredited by the NLN or its equivalent for foreign graduates).

AND

Possession of a master's degree in a health-related field such as nursing, public health, health care services, health care administration, or hospital administration. All degrees must be from an institution approved by the Counsel for Private Postsecondary and Vocational Education under the provisions of California Education Code Chapter 3, Part 59, and Division 10.

AND

Either I

Two years of experience performing the duties of a Nurse Consultant I in the California state service.

Or II

Four years of professional registered nursing experience, at least two years of which shall have been in an administrative, consultative, teaching, or supervisory capacity. (One additional year of graduate work in group dynamics, interpersonal relations, or other courses relating to the consultative process in nursing may be substituted for one year of the required general nursing experience.)

NOTE: Applicants using education to meet the minimum requirements must provide a copy of their degree or transcripts.

POSITION DESCRIPTION

This is the full working level. Under general direction, incumbents provide complex nursing and program consultation and technical assistance to public and private agencies on the provision of health services; plan, develop, organize, monitor, and evaluate programs and studies on the delivery of health services; may also serve in a lead capacity to Nurse Consultants and other health-related multidisciplinary staff; develop and evaluate program standards, policies, and procedures; and perform other related work.

Positions exist with the Department of Health Care Services **statewide**.

EXAMINATION INFORMATION

This examination consists of the following component(s):

Training and Experience Evaluation – Weighted 100% of the final score.

No written test is required, and no interview will be conducted.

The examination is designed to elicit specific information regarding each candidate's training and experience relative to the testing classification. Responses to the examination will be assessed based on pre-determined rating criteria. In appraising the relative qualifications of candidates, consideration will be given to the extent and type of pertinent training and experience over and above that which is required under "Minimum Qualifications".

The Department of Health Care Services reserves the right to revise the examination plan to better meet the needs of the service if circumstances under which this examination plan changed. Such a revision will be in accordance with civil service law and rules, and all competitors will be notified.

Special Testing Arrangements: If you require assistance or alternative testing arrangements due to a disability, please contact the testing department listed in the Contact Information section of this bulletin.

TAKING THE EXAMINATION

Note: Candidates must also submit an application following the instructions under "Application Instructions" above.

EXAMINATION SCOPE

Ratings will be determined based on the depth and breadth of professional education and experience beyond what is minimally required. Emphasis will be placed on measuring, relative to job demands, each competitor's:

Knowledge of:

1. Principles, techniques, methods, and procedures of current nursing practices
2. Epidemiology and methods of health promotion and disease prevention concepts and methods of control of communicable diseases
3. Current philosophies and patterns of nursing education
4. Principles and methods of consultation
5. Group process and problem solving
6. Research principles and methodology
7. Role, responsibilities, and interrelationships of the various health disciplines and health agencies
8. Functions of social and health agencies
9. Cultural and sociological patterns as they affect health programs
10. State and federal legislation related to health services
11. Administration, organization, and trends in health care delivery systems
12. Techniques of program planning, development, monitoring, and evaluation

Ability to:

1. Effectively provide consultation and technical assistance
2. Establish and maintain the confidence and cooperation of those personnel within the Department and in other social and health agencies
3. Analyze situations accurately and take effective action
4. Be flexible in approach to the solution of problems
5. Communicate effectively
6. Prepare reports
7. Apply principles of administration of nursing and health care services in various administrative patterns
8. Assist administrators to plan with others in meeting community health needs

GENERAL QUALIFICATIONS

Applicants must possess essential personal qualifications including integrity, initiative, dependability, good judgement, the ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

ELIGIBLE LIST INFORMATION

Possession of the entrance requirements does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. Names of successful competitors are merged into the list in order of final scores

regardless of the date. Eligibility expires **24** months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older must be used first.

Veterans' Preference will be granted for this examination. In accordance with Government Codes 18973.1 and 18973.5, whenever any veteran, or widow or widower of a veteran achieves a passing score on an open examination, he or she shall be ranked in the top rank of the resulting eligible list.

Veteran status is verified by the California Department of Human Resources (CalHR). Information on this program and [the Veterans' Preference Application](#) (STD. Form 1093) is available online. Additional information on veteran benefits is available at the Department of Veterans Affairs.
