

NOTICE OF GENERAL PUBLIC INTEREST

RELEASE DATE: MAY 31, 2023

PROPOSED STATE PLAN AMENDMENT REGARDING THE GROUND EMERGENCY MEDICAL TRANSPORT AT QUALITY ASSURANCE FEE PROGRAM

This notice provides information of public interest regarding a proposed State Plan Amendment (SPA) by the Department of Health Care Services (DHCS). SPA 23-0020 proposes to renew the Ground Emergency Medical Transportation (GEMT) Quality Assurance Fee (QAF) program and the reimbursement add-on provided for Medi-Cal ground emergency medical transports, effective for dates of service July 1, 2023 through June 30, 2024.

Senate Bill (SB) 523 (Chapter 773, Statutes of 2017) established a QAF program for GEMT services, effective July 1, 2018. Under the GEMT QAF program, DHCS collects a QAF on all GEMT services by a provider subject to the QAF, regardless of payer type, as identified by the service codes listed below. The QAF is used to increase reimbursement to eligible emergency medical transport providers by application of an add-on to the Medi-Cal fee-for-service fee schedule rate for the following service codes:

Service Code	Description
A0225	Neonatal Emergency Transport
A0429	Basic Life Support
A0427	Advanced Life Support, Level 1
A0433	Advanced Life Support, Level 2
A0434	Specialty Care Transport

SPA 23-0020 will continue the add-on increase in the amount of \$220.80 to the Medi-Cal fee-for-service fee schedule amount for the above-listed service codes. DHCS estimates for state fiscal year (SFY) 2023-24 that the aggregate Medi-Cal expenditures for ground emergency medical transports will increase by \$4.4 million in total funds.

Relatedly, the Centers for Medicare & Medicaid Services approved SPA 22-0015 on December 21, 2022, establishing a new and separate program, the Public Provider Ground Emergency Medical Transportation (PP-GEMT) Intergovernmental Transfer (IGT) Program. Effective January 1, 2023, public providers as defined in Assembly Bill (AB) 1705 (Chapter 544, Statutes of 2019) are no longer eligible to participate in the GEMT QAF program and have transitioned into the new PP-GEMT IGT program. Public providers are no longer assessed the QAF prospectively and are not eligible to receive the add-on through the GEMT QAF program.

The effective date of the proposed SPA 23-0020 is July 1, 2023. All proposed SPAs are subject to approval by the federal Centers for Medicare and Medicaid Services (CMS).
