

**ADDENDUM TO FINAL STATEMENT OF REASONS
DHCS-03-030E**

The Final Statement of Reasons (FSOR) incorrectly refers to “emergency regulatory action” and should refer to “Certificate of Compliance”. The Department’s intent was to refer to the “Certificate of Compliance” and the Department revises the FSOR to substitute “Certificate of Compliance” for “emergency regulatory action” where appropriate. This corrective action to the FSOR will not result in any substantive differences to the regulations or FSOR.
