- A. For coordination of behavioral health services, including specialty mental health and substance use disorder services, D-SNP Contractor will establish a cooperative working relationship with the Member's MCP and/or the county behavioral agency for care coordination, information sharing, and oversight. - E. If D-SNP Contractor offers Supplemental Benefits as referenced in Exhibit E, Attachment A, Definitions, of this Contract, also including Special Supplemental Benefits for the Chronically Ill (SSBCI) or Expanded Primarily Health-Related Benefits (EPHRB), those services should be coordinated as needed to ensure D-SNP Contractor tracks Member use of Supplemental Benefits and exhausts Supplemental Benefits prior to or concurrent with authorization of or referral for Medi-Cal benefits, including but not limited to Dental, Vision, Transportation, Community Supports, and Behavioral Health.
- F. D-SNP Contractor must additionally comply with State-specific Care Coordination requirements, which are fully outlined in the 2024 CalAIM Dual Eligible Special Needs Plan (D-SNP) Policy Guide available on the DHCS website and may be amended from time to time: <https://www.dhcs.ca.gov/provgovpart/Pages/Dual-Special-Needs-Plans-%28D-SNP%29-Contract-and-Program-Guide.aspx>. These State-specific requirements include:
- 1) Incorporating Medi-Cal data into the D-SNP risk stratification process;
 - 2) Incorporating Medi-Cal Services and providers, including palliative care teams as appropriate, into the development and execution of the Member's care plan and care team, including Medi-Cal Services accessed through the aligned MCP as well as Medi-Cal FFS and other Medi-Cal delivery systems (including Home and Community-Based Services programs);

- G. D-SNP Contractor is not responsible to provide or pay for any Medi-Cal benefits, or Medicare cost sharing obligations which are covered in full through Medi-Cal FFS or MCP Contract. Medi-Cal MCPs are responsible to pay Medicare cost sharing obligations for contracted benefits for MCP members. In addition, the MCP Contract requires the MCP to enter into a Coordination of Benefits Agreement with the Medicare program through the Centers for Medicare & Medicaid Services (CMS), and to participate in Medicare's automated claims crossover process for full-benefit Dual Eligible Members, in accordance with 42 CFR section 438.3(t). 2. Information Sharing

Boilerplate EAE

Exhibit A, Attachment 1 COORDINATION OF CARE

- A. D-SNP Contractor is responsible for complying with State policy implementing federal information sharing requirements for D-SNPs per 42 CFR section 422.107(d)(1), for the purpose of coordinating Medicare and Medi-Cal covered services between settings of care for all Members. This State policy is in addition to federal requirements for hospitals regarding electronic notifications listed in 42 CFR section 482.24(d). The goal of the information sharing policy is for D-SNP Contractor, either directly or through contracted providers or other entities, to timely notify the Member's MCP, or hospital and SNF admissions. Timely notification supports the coordination of and referrals to Medicare and Medi-Cal Services, including Home and Community Based Services.
- 1) To the extent permissible under applicable federal and State law and regulations, and not inconsistent with the Member's expressed privacy preferences, D-SNP Contractor will require their contracted hospitals and SNFs to use a secure email data exchange through a Health Information Organization, or an electronic process approved by DHCS, to inform D-SNP Contractor in a timely manner of any hospital or SNF admissions for all Members.
 - 2) D-SNP Contractor will require contracted hospitals to make this notification either immediately prior to, or at the time of, the Member's discharge or transfer from the hospital's inpatient services, if applicable.
 - 3) To the extent permissible under applicable federal and State law and regulations, and not inconsistent with the Member's expressed privacy preferences, D-SNP Contractor will require their contracted SNFs to use a secure email, a data exchange through a Health Information Organization, or an electronic process approved by DHCS, to inform D-SNP Contractor of any SNF admission, discharge, or transfer for all Members. For SNF discharges or transfers, D-SNP Contractor will require contracted SNFs to make this notification in advance, if at all possible, or at the time of, the Member's discharge or transfer from the SNF.
 - 4) In the event that the D-SNP Contractor authorizes another entity or entities to perform these notifications, D-SNP Contractor must retain responsibility for complying with this

Boilerplate EAE

Exhibit A, Attachment 1 COORDINATION OF CARE

requirement. The D-SNP Contractor ultimately retains the responsibility for the notification requirements that are delegated to its contracted hospitals and SNFs.

- B. D-SNPs will coordinate care management for their Members and facilitate Member access to needed LTSS to support care transitions.

3. Integrated Materials

- A. D-SNP Contractor is responsible for providing integrated Member materials to Members. The State requirements described in this Paragraph are in addition to all existing Medicare marketing and communications requirements outlined in 42 CFR Part 422 Subpart V, 42 CFR Part 423 Subpart V, and 42 CFR section 438.10(d)(2), and as described in the Medicare Communications and Marketing Guidelines (MCMG). Required integrated Member materials will include:
 - 1) Annual Notice of Change (ANOC);

- C. D-SNP Contractor will be required to make all integrated Member materials available in the threshold languages for their aligned MCP Service Area. Threshold languages include both:
 - 1) Medicare's five percent (5%) threshold for language translation as outlined in 42 CFR Part 422 Subpart V and 42 CFR Part 423 Subpart V); and

- D. D-SNP Contractor must have a process for ensuring that Members can make a standing request to receive materials in alternative formats and in any non-English languages, at the time of request and on an ongoing basis thereafter, in accordance with 42 CFR section 422.2267 and section 423.2267, APL 21-004, APL 22-002, and the 2024 CalAIM Dual Eligible Special Needs Plan (D-SNP) Policy Guide as applicable. The process must include how D-SNP Contractor will keep a record of the Member's information and utilize it as an ongoing standing request so the Member does not need to make a separate request for each item of material, and how a Member can change a standing request for preferred language and/or format.
- E. D-SNP Contractor must identify in its provider directory those providers that accept both Medicare and Medi-Cal, i.e. providers that are currently registered providers under Medi-Cal and are also within D-SNP Contractor's network. D-SNP Contractor must comply with existing federal and State guidelines regulating print and online provider directories. Print and online directories for D-SNP Contractor must reflect all contracted and in-network providers for D-SNP Members. The provider directories must show the providers that are in the D-SNP Medicare and/or Medi-Cal networks in a clear manner for Members.
- F. D-SNP Contractor must submit all communication and marketing materials in the Health Plan Management System (HPMS) that are required to be submitted as described here and in the MCMG under D-SNP Contractor's Medicare contract ID number. The multi-plan submission process is not applicable to D-SNP only contracts. In addition, when a third party, such as a pharmacy benefit manager (PBM), creates and distributes member-specific materials on behalf of multiple organizations, it is not acceptable to use the material ID for another organization for materials the third-party providers to D-SNP enrollees. The material must be submitted in HPMS using a separate material ID number for the D-SNP contract and that material ID number must be included in the material. Additional guidance including the submission and review process for integrated Member materials is fully outlined in the 2024 CalAIM Dual Eligible Special Needs Plan (D-SNP) Policy Guide available

D-SNP Contractor must ensure consumer participation in governance boards that will provide regular feedback to the D-SNP Contractor's governing board on issues of duals-related topics, including plan management and Member care.  - a) DHCS acted improperly such that it breached this Contract; and
 - b) D-SNP Contractor sustained a cost impact directly related to DHCS' breach.
- 4) OAHA's jurisdiction is limited to issues and arguments raised in the Notice of Dispute that were not waived by the untimely filing of the Notice of Dispute or Statement of Disputed Issues, by D-SNP's Contractor's failure to provide all requested substantiating documentation requested by the DHCS Contracting Officer or ADO, or by D-SNP's Contractor failure to notify the DHCS Contracting Officer or ADO that no additional documents exist within the required timeframe as required in Paragraph C(3), or otherwise resolved by D-SNP Contractor and DHCS.

D-SNP Contractor also waives all claims or issues set forth in its Notice of Dispute if it fails to timely appeal the DHCS Contracting Officer or ADO's decision in the manner and within the time specified in this Provision 18. D-SNP Contractor's waiver includes all damages whether direct or consequential in nature.
