

Beneficiary Dental Exception (BDE) March 2018

The BDE process is available to Medi-Cal Dental Managed Care (DMC) beneficiaries in Sacramento County to ensure timely access to services through their dental plan. Requests are made by mail, fax, email, or by calling the BDE phone line (855-347-3310). The Department of Health Care Services' staff work with the DMC plans on behalf of the beneficiary to schedule an appropriate appointment within specified time frames, based on the beneficiary's needs. If no such appointment is secured, the beneficiary may request to opt-out of Medi-Cal DMC and move into Medi-Cal Dental Fee-for-Service (FFS) where he or she may select his or her own dental provider on an ongoing basis. No one has utilized the BDE to transfer to FFS since its inception.
