How This Agenda Item Relates to Council Mission

To review, evaluate, and advocate for an accessible and effective behavioral health system.

This agenda item provides Council members with an update on the survey results and analysis of the 2025 Data Notebook on Wellness and Recovery Centers in the Public Behavioral Health System. The Performance Outcomes Committee will use this data to evaluate the behavioral health system.

This agenda item corresponds to the Performance Outcomes Committee Work Plan Goal 1.

- **Goal 1:** Collect County-Specific Data to Evaluate the Public Behavioral Health System.

Background/Description:

Each year, the Council releases a Data Notebook to the local mental/behavioral health boards and commissions to complete with their perspectives on focused areas of the public behavioral health system. The topic for the 2025 Data Notebook is *Wellness and Recovery Centers in California's Behavioral Health System*.

The 2025 Data Notebook Survey was sent out in August 2025. Counties were asked to complete the Data Notebook Survey by November 1, 2025. This deadline was chosen to ensure that the Council can complete the 2025 Data Notebook Overview Report in time to inform the community planning process and Behavioral Health Services Act Three-year Integrated Plan. Committee members will review and vote on the approval of the 2025 Data Notebook Overview Report on Wellness and Recovery Centers in the Public Behavioral Health System.

Motion: Approve the 2025 Data Notebook Overview Report on Wellness and Recovery Centers in the Public Behavioral Health System
