I. INTRODUCTION

Sacramento County is governed by a Board of Supervisors and contracts with the Department of Health Care Services (DHCS) for the purpose of providing Drug Medical Organized Delivery System (DMC-ODS) funded Substance Use Disorder (SUD) services to county residents.

Sacramento County is located in the northern section of the Central Valley in California. The County provides services within the unincorporated county and in seven cities: Sacramento, Elk Grove, Folsom, Citrus Heights, Galt, Isleton, and Rancho Cordova.

II. EXECUTIVE SUMMARY

This report presents the findings of the DHCS review for the period of July 1, 2024, through June 30, 2025. The review was conducted from April 8, 2026, through April 9, 2026. The review consisted of a documentation review and interviews with the County's representatives.

The review evaluated requirements from six categories of performance: Availability of DMC-ODS Services, Quality Assurance and Performance Improvement, Access and Information Requirements, Coverage and Authorization of Services, Beneficiary Rights and Protections, and Program Integrity.

The prior DHCS compliance report, covering the review period from July 1, 2023, through June 30, 2024, identified deficiencies incorporated in the Corrective Action Plan (CAP). The prior year CAPs were not completely closed at the time of the review.

The summary of the findings by category follows:

Category 1 – Availability of DMC-ODS Services

There were no findings noted for this category during the review period.

Category 3 – Quality Assurance and Performance Improvement

There were no findings noted for this category during the review period.

Category 4 – Access and Information Requirements

There were no findings noted for this category during the review period.

Category 5 – Coverage and Authorization of Services

There were no findings noted for this category during the review period.

Category 6 – Beneficiary Rights and Protections

There were no findings noted for this category during the review period.

Category 7 – Program Integrity

There were no findings noted for this category during the review period.

III. SCOPE/REVIEW PROCEDURES

SCOPE

The DHCS, Contract and Enrollment Review Division conducted the review to ascertain that medically necessary services provided to County members comply with federal and state laws, regulations and guidelines, and the State's DMC-ODS Intergovernmental Agreement.

PROCEDURE

DHCS conducted a review of the Plan from April 8, 2026, through April 9, 2026, for the review period of July 1, 2024, through June 30, 2025. The review included an inspection of the Plan's policies for providing services, procedures to implement these policies, and the process to determine whether these policies were effective. Documents were reviewed and interviews conducted with County representatives.

POST REVIEW

Technical Assistance (TA) can be requested during the review. All DMC-ODS TA requests are forwarded to DHCS's Behavioral Health Oversight and Monitoring Division (BHOMD), County Liaison and Operations Support Section (CLOS) for resolution. The County did not request TA during the review.
