

**EXHIBIT C****837I CARC / RARC**

<b>Short-Doyle / Medi-Cal Claim Payment Advice (835) Substance Use Disorder Services Drug Medi-Cal Organized Delivery System (DMC-ODS)</b>	
<b>837I Description (New)</b>	<b>Current DMC Group / Reason / Remark</b>
Claim denied because service dates on claim include more than one calendar month.  <u>Exception to not deny the claim:</u> The service date that is not within the same calendar month is the first day of the following month, and is equal to the Discharge Date.	CO 267 N74
Claim denied because Claim Frequency Type Code (CLM03) equals '2' (interim first claim) or '3' (interim continuing claim) and DTP01 equals '096' (i.e. discharge hour is indicated).	CO 16 N50
Beneficiary is 21 years of age or more on the service "start date" and youth indicator is reported on the claim  <b>OR</b>  Beneficiary is less than 21 years of age on the service "end date" and youth indicator is <u>not</u> reported on the claim.	CO 96 129
If 837I service line is denied, the Revenue Code, Procedure Coding System Code and Demonstration Project Identifier combination is not a valid DMC institutional service combination.	CO 96 N216
If 837I claim is denied, service line Date of Service (DOS) "from" and "to" dates are not within the admission and discharge date range.	CO 16 M431
If 837I service line is denied then the number of units billed exceeds the max days allowed (one unit billed per calendar day).	CO 16 N345

**Short-Doyle / Medi-Cal Claim Payment Advice (835)  
 Substance Use Disorder Services  
 Drug Medi-Cal Organized Delivery System (DMC-ODS)**

<b>837I Description (New)</b>	<b>Current DMC Group / Reason / Remark</b>
Service line denied because the Service Facility Location is not authorized to provide the service (identified by the Revenue Codes, PCS codes and DPI) for the billing county on the date(s) of service.	CO B7 N570
If 837I service line is denied, claim level pregnancy indicator is present and the beneficiary is not female per MEDS.	CO 16 MA39
If 837I service line is denied, the claim level pregnancy indicator is not present for a perinatal service.	CO 96 N30
When comparing the service line with a previously approved line for the same date of service, if both service lines are from 837I claims, then the deny service line.	CO 96 M80
When comparing the service line with a previously approved service line in history for the same date of service, if one service line is an institutional service and the other service is a professional service AND the service date of the professional service is not the admit date of the institutional service then deny service line.	CO 96 M80
