(a) The director shall establish administrative appeal processes to review grievances or complaints arising from the findings of an audit or examination made pursuant to Sections 10722 and 14170.

(b) Different administrative appeal processes may be established by the director for grievances or complaints arising from the determinations of a tentative or final settlement based on audit or examination findings made by or on behalf of the department pursuant to Sections 10722 and 14170, except that consistent with existing practice, no administrative appeal shall be available for tentative settlement of cost reports.

(c) The administrative appeal process established by the director for final settlements, including, in the case of hospitals, the application of Sections 51536, 51537, and 51539 of Title 22 of the California Code of Regulations shall include the procedural requirements of Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code. The impartial hearing shall be conducted by an administrative law judge appointed by the director. The director may subcontract with the Office of Administrative Hearings to conduct hearings on cases involving complicated issues of fact or law, or to reduce the backlog of cases.

(d) The administrative appeal process established by the director for tentative settlements, including, in the case of hospitals, the application of Sections 51536, 51537, and 51539 of Title 22 of the California Code of Regulations shall be an informal process which, however, guarantees a provider the right to present any grievance or complaint to the department in writing. Any subsequent hearings shall be conducted in an informal manner and shall be held at the discretion of the department.

(e) The time limitations in subdivisions (f) and (g) for the impartial hearing and the final decisions are mandatory. However, the time period shall be extended by either of the following:

(1) Delay caused by a provider.

(2) Extensions of time granted a provider at its sole request or at the joint request of the provider and the department.

(f)(1) Notwithstanding subdivision (c), the administrative appeal process established by the director shall commence with an informal conference with the provider, a representative of the department, and the administrative law judge. The informal conference shall be conducted no later than 90 days after the filing of a timely and specific statement of disputed issues by the provider. The administrative law judge, when appropriate, may assign the administrative appeal to an informal level of review where efforts could be made to resolve facts and issues in dispute in a fair and equitable manner, subject to the requirements of state and federal law. The review conducted at this informal level shall be completed no later than 180 days after the filing of a timely and specific statement of disputed issues by the provider.

(2) Nothing in this subdivision shall prohibit the provider from presenting any unresolved grievances or complaints at an impartial hearing pursuant to subdivision (c). For noninstitutional providers, a proposed decision shall be prepared and transmitted to the director and the parties within 60 days after the closure of the record of the impartial hearing. For institutional providers, a proposed decision shall be prepared and transmitted to the director and the parties within 180 days after the closure of the record of the impartial hearing.

(3) Subject to subdivision (g), a final decision in a noninstitutional provider appeal shall be adopted within 180 days after the closure of the record of the impartial hearing, and a final decision in an institutional provider appeal shall be adopted within 300 days after the closure of the record of the impartial hearing.

(g) In the event the director intends to modify a proposed decision, on or before the 180th day following the closure of the record of the hearing for noninstitutional providers or the 300th day following the closure of the record of the hearing for institutional providers, the director shall provide written notice of his or her intention to the parties and shall afford the parties an opportunity to present oral and written argument. Following this notice, on or before the 240th day following the closure of the record of the hearing for noninstitutional providers or the 420th day following closure of the record of the hearing for institutional providers, or within that additional time period as is granted pursuant to the sole request of a provider or at the joint request of the provider and the department, the director shall issue a modified decision.

**§ 51047. Recovery of Overpayments.**

(a) When it is established upon audit that an overpayment has been made to a provider, the Department shall begin liquidation of any overpayment to a provider 60 days after issuance of the first Statement of Accountability or demand for repayment. The demand for repayment or Statement of Accountability shall be issued no later than 60 days after the issuance of the audit or examination report establishing such overpayment. When a noninstitutional provider has filed a request for hearing pursuant to Section 51022 of this Article, liquidation of the disputed overpayments shall be deferred until the appeal is rejected or a final administrative decision is rendered. The overpayment shall be recovered by any of the following methods:

(1) Lump sum payment by the provider.

(2) Offset against current payments due to the provider.

(3) A repayment agreement executed between the provider and the Department.

(4) Any other method of recovery available to and deemed appropriate by the Director.

(b) An offset against current payments shall continue until one of the following occurs:

In all other cases, the provider shall pay interest as provided by Welfare and Institutions Code Section 14171(f).

(d) Nothing in this section shall prohibit a provider from repaying all or a part of the disputed overpayment without prejudice to his right to a hearing under this article.

(e) Any recovered overpayment that is subsequently determined to have been erroneously collected shall be promptly refunded to the provider, together with interest computed at the legal rate of seven percent per annum from the date of such liquidation or 60 days after issuance of the audit or examination findings, whichever is later. (3) The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

(4) The following additional exceptions to the "best evidence" rule (Evidence Code Section 1500) apply:

(b) The hearing officer shall control the taking of evidence in a manner best suited to ascertain the facts and safeguard the rights of the parties. Prior to taking evidence, the hearing officer shall set forth the order in which evidence will be received.

(i) The Department shall present its audit findings and evidence first at the hearing. The Department has the burden of proof of demonstrating, by a preponderance of the evidence, that the audit findings were correctly made. Once the Department has presented such a prima facie case, the burden of proof shifts to the provider to demonstrate, by a preponderance of the evidence, that the provider's position regarding disputed issues is correct.

(j) The burden of producing evidence as to a particular fact is on the party against whom a finding on that fact would be required in the absence of further evidence.

(k) The hearing shall be conducted in the English language. The proponent of any testimony to be offered by a witness who does not speak the English language proficiently shall provide an interpreter, approved by the hearing officer, proficient in the English language and the language the witness will testify, to serve as interpreter during the hearing. The cost of the interpreter shall be paid by the party providing the interpreter.

Each proposed exhibit shall be premarked for identification.

(3) Prior to the commencement of the formal hearing, any party proposing to object to the receipt in evidence of any proposed exhibit shall advise the opposing party of such objection. The parties shall confer with respect to any objections in advance of the formal hearing and attempt to resolve them. Failure to comply with the requirements of (1) or (2) above shall constitute a ground for objection to the introduction of undisclosed documents and other items, into evidence other than for impeachment or rebuttal.

(b) In all cases, the hearing officer, in order to obtain additional evidence necessary for the proper determination of the case, may:

(1) Continue the formal hearing and hold the record open for either party to produce additional evidence.

(2) Close the hearing and hold the record open in order to permit the introduction of additional documentary evidence. Any material submitted after the close of the formal hearing shall be made available to both parties and each party shall have the opportunity for rebuttal.
