Re: Approval of State Plan Amendment CA-20-0041

Dear Ms. Cooper::

On September 24, 2020, the Centers for Medicare and Medicaid Services (CMS) received California State Plan Amendment (SPA) CA-20-0041 to reinstate an income disregard that was inadvertently removed by a separate SPA earlier in the year. California SPA 20-0022 allowed Census Bureau wages to be excluded from multiple eligibility groups starting January 1, 2020. California submitted SPA 20-0033, which inadvertently removed the Census Bureau wages exclusion starting August 1, 2020 for certain categorical eligibility groups. California SPA 20-0041 will continue the Census Bureau wages exclusion for multiple eligibility groups effective August 1, 2020..

We approve California State Plan Amendment (SPA) CA-20-0041 on November 19, 2020 with an effective date(s) of August 01, 2020.

Please note that accompanying this approval of SPA 20-0041 is a companion letter regarding a resource disregard, which the state will need to act upon after the end of the COVID-19 Public Health Emergency.

Dear Ms. Cooper:

We are issuing this letter as a companion to the Centers for Medicare and Medicaid Services' (CMS) approval of California's State Plan Amendment (SPA) CA 20-0041. California SPA 20-0041 reinstates an income disregard which was inadvertently removed by a separate SPA earlier in the year. California SPA 20-0022 allowed Census Bureau wages to be excluded from multiple eligibility groups starting January 1, 2020. California submitted SPA 20-0033, which inadvertently removed the Census Bureau wages exclusion starting August 1, 2020 for certain categorical eligibility groups. California SPA 20-0041 will continue the Census Bureau wages exclusion for these groups effective August 1, 2020. During the course of our review of SPA 20-0041, we found a comparability issue with a resource disregard, which is the subject of this letter.

California's existing state plan includes a resource disregard ("Resources exempted under 1902(a)(10)(A)(ii)(XIII)") on Supplement 8b to Attachment 2.6-A, page 14 (hereafter page 14). Under this disregard, resources that were excluded for an individual while he or she was enrolled in the eligibility group described at section 1902(a)(10)(A)(ii)(XIII) of the Act are disregarded when such an individual undergoes an eligibility determination for certain other eligibility groups (as listed on page 14). The effect of this disregard is that, when California determines financial eligibility for the eligibility groups described at sections 1902(a)(10)(A)(ii)(I), (X), and section 1902(a)(10)(C) of the Act, only some, but not all, individuals are permitted a certain resource disregard. Consequently, individuals in the same categorical population (e.g., individuals 65 years old or older) will be treated differently depending on whether they were or were not previously enrolled in the eligibility group described at section 1902(a)(10)(A)(ii)(XIII) of the Act. If the state chooses to apply a less restrictive income or resource methodology to an eligibility group, it must apply that methodology to all individuals within the selected group. The application of this disregard to only a narrow segment of each categorical population within each eligibility group is not permitted under section 1902(a)(17) of the Act, and implemented at 42 C.F.R. §435.601(d)(4), which require comparability in the application of the financial methodology for all individuals within the same eligibility group.

Although the application of the disregard to a narrow population within an eligibility group is not permissible, the elimination of this disregard from California's state plan may render it ineligible

for the increased federal medical assistance percentage (FMAP) authorized under Section 6008(a) of the Families First Coronavirus Relief Act (FFCRA). To be eligible for the increased FMAP, a state must maintain eligibility standards, methodologies, or procedures that are no more restrictive than what the state had in place as of January 1, 2020, during the period in which the enhanced FMAP is available (i.e., during the public health emergency relating to the 2019 Novel Coronavirus, or “COVID-19”) under section 6008(b)(1) of the FFCRA. For this reason, we are approving this SPA with the disregard as currently listed in the state plan on page 14, and now incorporated into MACPro in the reviewable units (RUs) for “Individuals Eligible for but Not Receiving Cash Assistance” and “Age and Disability-Related Poverty Level.”

We discussed this issue with the state on October 7, 2020. This letter documents that the state agrees it will submit an additional SPA to correct this issue as soon as practicable after the end of the COVID-19 public health emergency. Such a SPA would remove this disregard now incorporated into MACPro in the reviewable units (RUs) for “Individuals Eligible for but Not Receiving Cash Assistance” and “Age and Disability-Related Poverty Level.”

CMS welcomes the opportunity to work with you and your staff to resolve these issues. Should you or your staff have any questions regarding this request, please contact Cheryl Young at [Cheryl.Young@cms.hhs.gov](mailto:Cheryl.Young@cms.hhs.gov) or 415-744-3598.

**Explain why this SPA is not likely to have a direct effect on Indians, Indian Health Programs or Urban Indian Organizations:**

DHCS does not believe a Tribal Notice is required because the proposal does not make changes to the Medi-Cal program that further restrict eligibility; or reduce payment rates or make updates to payment methodologies to Indian health programs; or reduce or restrict access to covered services for American Indian Medi-Cal beneficiaries or increase services reimbursed to Indian health programs. CMS approved DHCS' no-notice request on 8/25/2020.
