RE: TN 22-0039

Dear Ms. Cooper:

We have reviewed the proposed California State Plan Amendment (SPA) to Attachment 4.19-B, CA-22-0039, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on September 26, 2022. This SPA exempts specified providers from the reduction specified in paragraphs (6) through (13), set forth on pages 3.1 through 3.4 of Attachment 4.19-B. In addition, NEMT base rates and supplemental payments are adjusted to maintain reimbursement levels following their exemption from the reduction.

Based upon the information provided by the State, we have approved the amendment with an effective date of July 1, 2022. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact Blake Holt at 303-844-6218 or blake.holt@cms.hhs.gov.

Sincerely,
