**DISASTER RELIEF STATE PLAN AMENDMENT 22-0070: COVID-19 EMERGENCY  
SICK LEAVE BENEFITS FOR IN HOME SUPPORTIVE SERVICES PROVIDERS**

Dear Mr. Scott:

The Department of Health Care Services (DHCS) is submitting State Plan Amendment (SPA) 22-0070 for your review and approval. Disaster SPA 22-0070 seeks to implement the policies and procedures as described, which are different than the policies and procedures otherwise applied under the Medicaid State Plan, during the period of the public health emergency (PHE) related to the COVID-19 outbreak. The requested effective date of SPA 22-0070 is October 1, 2021.

Using the Disaster SPA template provided by the Centers for Medicare & Medicaid Services (CMS) for disaster relief during the COVID-19 PHE, DHCS seeks to extend the COVID-19 Emergency Sick Leave Benefits for In Home Supportive Services (IHSS) providers through December 31, 2022, as authorized through California Assembly Bill (AB) 152 (Chaptered September 29, 2022). DHCS has obtained a waiver of the public notification requirements from CMS.

DHCS is submitting the CMS 179 Form and the disaster relief SPA template for CMS' review. The budget impact estimate of zero additional dollars is based on the following assumptions: AB 152 has assigned state general fund dollars for this activity in the current state budget, which will ensure that no additional state dollars are spent on this activity as a result of this Disaster SPA. Similarly, it is our understanding that Sections 3131-3133 of the American Rescue Plan Act of 2021 provides an existing and ongoing funding source for emergency sick leave via tax credits for employees, which California

Mr. James G. Scott

intends to obtain as the employer of record for these IHSS employees. As a result of these existing federal tax credits and state funds being already directed towards these efforts, we believe that the Disaster SPA is cost-neutral because it will not increase new spending for either the State of California or the Federal Government.

If you have any questions or need additional information, please contact Susan Philip, Deputy Director, Health Care Delivery Systems, at (916) 324-5870, or by email at [Susan.Philip@dhcs.ca.gov](mailto:Susan.Philip@dhcs.ca.gov).

Sincerely,

On March 13, 2020, pursuant to section 1135(b) of the Act, the Secretary of the United States Department of Health and Human Services invoked his authority to waive or modify certain requirements of titles XVIII, XIX, and XXI of the Act as a result of the consequences COVID-19 pandemic, to the extent necessary, as determined by the Centers for Medicare & Medicaid Services (CMS), to ensure that sufficient health care items and services are available to meet the needs of individuals enrolled in the respective programs and to ensure that health care providers that furnish such items and services in good faith, but are unable to comply with one or more of such requirements as a result of the COVID-19 pandemic, may be reimbursed for such items and services and exempted from sanctions for such noncompliance, absent any determination of fraud or abuse.
